

Hi Friends!

3/31/22

Last year, in cooperation with the American Legion & Auxiliary, we were able to offer a full season of live music & food for our community to enjoy at the new Performance Pavilion in Westland Promenade Park, downtown Mazomanie. They were great concerts and were VERY well received by the community. We would like to make it a yearly effort.

Here is the lineup planned for 2022.

- 5/30/22 – Memorial Day: Ladies Must Swing Band**
(music courtesy of the Auxiliary & American Legion)
- 6/25/22 – Church of Cash**
- 6/27/22 – Rural Musicians Forum Free Concert**
- 7/4/22 – 4th of July Celebration: Music TBD**
- 7/23/22 – The Britins**
- 7/25/22 – Rural Musicians Forum Free Concert**
- 8/22/22 – Rural Musicians Forum Free Concert**

This year we will be working on several fundraising efforts to offset the cost of the music and keep the concerts FREE for our community to enjoy. We will be doing a Go Fund Me Page, hosting food stands and putting boots to the ground to collect donations at the events. Our goal is \$10,000 and to put money towards 2023 as well.

Your business can support our efforts to revitalize Mazomanie and help create a new tradition for our community. All business sponsors will be recognized with signage and all promotions for the concerts. Any amount is appreciated.

Thank you so much for your consideration,
