

Learn how to talk with animals!

This class is for all experience levels with animal communication.

After class, you're invited to join our online practice community and in person monthly group at Central Mass Serenity.

We will work with different animals and address the challenges and success. It's educational and fun to share with this group of like-minded folks.

2/3/19

10am to 3pm

\$80

Pre-Registration required.
