CLOSE THE GATE!

❀ Congratulations Mrs. Thompson! ❀

Mrs. Thompson has had a lifelong career working with young children and has been a vital part of our center for a long time. Each and every day she goes above and beyond with the children, their families, and fellow teachers. Her efforts have been recognized by Berkeley County First Steps and they have awarded her this very deserving award. We are so proud of her and we are sure you are too! Please be sure to congratulate her on her award! Thank you for trusting her to work with your children.
