9	Acid Blockers (Pepcid, Prilosec, Zantac)		Q-Tips	Scotch Tape
10	Vaseline - Large size jars			
11	Naproxen (Aleve)			

Energy Saver Light Bulbs (15-20w): are useful in all areas of the ministry and would be a big cost saver for us (each bulb typically costs us about \$5/bulb.) If your electric utility has a special and you could bring a pack or two in your carry on, that would be a blessing!! (If you check them in your baggage, they could break).

Please be aware that Jimmy Hughes Ministries will distribute any and all donations for a specific ministry area according to the needs of the Ministry overall. We appreciate your understanding as we distribute these blessings.
