Dear Ms. Hemmings:

Thank you for your passport request. Our office sent you a letter requesting additional information to establish your entitlement to a U.S. passport. To date, we have not received the requested information.

The evidence you provided with your passport application is insufficient to establish your entitlement to a U.S. passport. Therefore, your passport application is denied. Any special return postage fees will be returned or refunded only upon written request from the applicant if the service is not provided. By law, the passport execution and application fees are non-refundable.

If you still wish to obtain a passport book and/or passport card, you will need to reapply by executing a new application and paying the appropriate fees.

If you have any questions regarding this letter you may contact the National Passport Information Center (NPIC), toll-free, at 1-877-487-2778 (TTY/TDD: 1-888-874-7793).

Sincerely,

Customer Service Department
