

## Harvest Blessings from

 Custom Creations

*Of all the seasons, autumn offers the most to man  
and requires the least of him. ~Hal Borland*

### The New Paltz Fair was a great success!

Thanks to everyone who came out and saw us in our first showing, we learned so much from everyone who stopped by! It was a great chance to get our name out there as a “new local talent”. The workshop has been busy fulfilling orders and coming up with new designs. Jack’s latest creation is a true homage to winter: a one-of-a-kind chair made of a sled and skis and poles—wow!

### We are taking Holiday Orders!
