

# TEMPLE ABOMINATIONS OF DESOLATIONS

The purpose of this illustration is to highlight several key and unique time and date properties of the 'Abomination of Desolations' or destructions that took place during the periods of the 1st and 2nd Temples of YHVH. The sequence of the date and times recorded in history of such desolations could perhaps suggest a time period in the near future that may determine when the 3rd Temple is to be built and the last Abomination is to take place. According to some interpretations of the Bible, this subsequent 3rd Temple will likewise suffer the same fate of a yet future Desolation that the prior 2 Temples experienced. This timeline takes the prophetic position that a literal 3rd Temple is to be rebuilt. The Bible speaks of a prophetic future 'desolation' that a false Messianic figure, the nation of Israel will accept, will eventually bring to the 3rd Temple. He will convince national Israel that he is the long-awaited and true Messiah. At a certain 'mid-point', he will defile the Temple by 'sitting' in the Holy of Holies –perhaps on the very Ark of the Covenant of Moses.

## PROPHETIC PHI RATIO MATHEMATICAL PATTERN MARKING THE POSSIBLE TIME FOR THE 3RD TEMPLE

This theory of when the possible time period for the 3rd Temple to be built is based only on certain mathematical probabilities based on prior Temple date patterns and phi ratio factor. The patterns presented will incorporate phi and pi coefficients that are overlaid onto the timeline and subject to speculation. Other evidence to support this theory that the 3rd Temple is to be built, perhaps sometime shortly after 5782 will be based on several numerical patterns such as when Solomon's and Herod's Temples were destroyed. These 2 monumental key dates happen to also fall on the same Jewish calendar on the 9th of Av. Perhaps all these variables, that happen to reoccur in patterns, can establish when the 3rd 70-year and 7-year time periods are to reoccur and converge. Based on such examination and number extrapolation, 2022/5782 seems to suggest the likely timeframe or one that could be leading up to such a last Week of Years per the Prophet Daniel.

### A FUTURE ABOMINATION

This will initiate the worldwide persecution of Jews and remnant Christians as the AntiChrist, once seen as the 'true' Messiah of Israel betrays the Jewish Nation. In turn, YHVH will protect His Remnant Faithful for the remainder '1260 Days or 2nd 3.5 Years per 1 interpretation of Daniel's last 'Week of Years'.

### MATH RATIOS

By incorporating the phi  $\phi$  mathematical ratio onto the timeline since 70 AD, it makes for some interesting numerical recurrences or patterns that seem to repeat during in time that are leading up to the timeframe of 2018-2025. When one also chooses 962 BC as a benchmark for the 1st Temple holy dedication, it too becomes a pi ratio ( $\pi$ ) in harmony with the 1204 and 1948 year phi ( $\phi$ ) ratios.

### PROPHETIC PATTERNS

What the presented timeline of this chart seeks to illustrate is whether the last or 3rd 70-year and last 7-year periods will converge in 2022. Or are they somehow associated with a possible monumental prophetic event dealing with the 3rd Temple and national Israel as it was with the prior 2 Temples that also had a 70-year and a 7-year time period association.

The patterns suggest that the 3rd prophetic 70-year pattern is occurring from 1948 years are added from 70 AD, when the 2nd Temple was destroyed, corresponds to the year 2022. Also a 70-year countdown from 1952.
