

# BLACK HORSE OF LA PALMA

## OMENS OF FAMINES AND PANDemics

*Horseman of the Apocalypse Pareidolia Effect?*

by Luis B. Vega

[www.PostScripts.org](http://www.PostScripts.org)

*'When He broke the 3<sup>rd</sup> Seal, I heard the 3<sup>rd</sup> Living Creature saying, Come. I looked, and behold, a Black Horse; and he who sat on it had a Pair of Scales in his Hand. And I heard something like a Voice in the Center of the 4 Living Creatures saying, A Quart of Wheat for a Denarius, and 3 Quarts of Barley for a Denarius; and do not damage the Oil and the Wine.'*-Revelation 6:5

The purpose of this study is to analyze and comment on the apparent imagery portrayed as the Volcano of La Palma in the Canary Islands was erupting on October 6, 2021. In the backdrop, as the massive gush of Volcanic Molten Lava spewed upward 100s of Meter/Feet, a peculiar Pareidolia Effect occurred. The video was taken from many webcams that are positioned on the Volcano by the Spanish Government and others that are monitoring the Eruptions and Earthquakes. The figure that emerged at the 2:41 Minute Marker posted to YouTube did appear to form a Boxing Black Horse.

The image was construed, but for about 2 further seconds before it then dissipated into an upward charging stance. What is Pareidolia? It is an effect that makes one see things within objects that are imposed into its composition. It can be images in the Clouds, for example, or objects seen in Trees, Food, Topography, etc. It can be essentially anything that one's mind imposes a familiarized form or shape onto another. Why this is of any importance or significance is that this study will delve into several key Biblical Motifs that do appear to have Prophetic Correlations and perhaps Implications.

They have to do with the End Times and the Rapture event in particular. Thus, the following will be a possible Biblical analysis and interpretation of such evidence, Pareidolia and Motifs. Why? The Rapture Watcher Community is suggesting there are some interesting Prophetic Links occurring with this 'Black Horse' figure, from the La Palma Volcano Eruption. On 1 level, it would corroborate the Mega Tsunami Model as asserted by many Scientific Experts. It is a Model whereby a La Palma Volcano would have a Massive Eruption that could cause half of its mass to slide-off into the Ocean.

This would essentially be a 'Fiery Mountain cast into the Sea' typology that is spoken about in the Bible. The issue? It would cause a Mega Tsunami 100s of feet/meters high that would devastate the entire East Coast of the USA, in particular. Thus, it is an example of how many who study the End Times are associating this Volcanic Eruption in La Palma also with the Revelation 12 Sign. Why? The Sign had and is insinuating a 'Birthing' that is directly associated with a Rapture event. The possible timing of the Rapture event could be tied to when the Island 'sinks'. Thus, the following analysis will present some facts, theories and evidence that will connect these events, Biblically.

## Contextual Background

Apparently, there is some concern as many People who are Followers and Believers of Jesus have had Dreams and Visions of such a Mega Tsunami hitting the East Coast of a USA. There have also been a lot of Hollywood Movie Predictive Programing of such an event. According to research, La Palma is just 1 of the 7 Main Islands that are called the Canary Islands, or Islas Canarias in Spanish. It belongs to Spain and is considered a European Union Zone as such. In order of size, the Islands are Tenerife, Fuerteventura, Gran Canaria, Lanzarote, La Palma, La Gomera and El Hierro.

Contrary to popular belief, Islas Canarias means, 'Islands of the Dogs'. And ironically, it is the native Canary Bird that is named after the Islands. However, there is a more plausible explanation as to how the Islands got their Name. It comes from the Ancient Motif of the Astronomical Sign of Sirius, the Dog Star and People of the Middle East. It is believed that one of the original Inhabitants of the Islands were known as the Guanches, but it goes much farther back into Ancient History. The Canary Islands have its Name origins from Canaan, as in the Promised Land and the Canaanites, etc. Or as the Phoenicians that have their root origin from the 'People of the Phoenix', etc.

It is believed by some that the Names of certain places were derived from the Fallen Angels, Principalities and Powers that were divinely assigned to them to 'Watch'. Now the Star is a peculiar 'Dog', the 'Female' Dog Star, Canis Major in the Heavens. And some contend, it is an 'Anti-Revelation 12 Virgo Sign'. This other 'Woman' is following/accompanying Orion. She was worshipped as the 'Queen of Heaven' by the Canis-anites and Phoenix-ians, etc. So, here is the link to the Revelation 12 'Woman' up there in the Sky with the Stars too. Perhaps this Volcanic Eruption is connoting a culmination as a 'Birthing' Pang', and Breaking of the Water, perhaps.

But this Dog Star Deity is none other than of the Moon Goddess, Ishtar, Diana, Isis, etc. Such were the same People that worshiped these Fallen Angels that colonized the 'Canary Islands' and beyond. There is even evidence that they made journeys all the way to Peru, in Lake Titicaca and up the Mississippi and East Coast of the USA. Evidence? There have been found inscription of Ancient Phoenician letter characters in Native American burial sites, for example. Why would La Palma Volcanic Eruption deal with the USA or there be such a connection? It is about pending Judgment against the USA. If one but understands what is going on in the USA, the Heart of the East Coast with her Mary-Land and Virgin-ia, one will see that it has become a Wicked Nation.

In terms of Bible Prophecy, the Black Horse is the 3<sup>rd</sup> of the 4 Horses that are color-coded that execute the Divine Judgment of the Rise LORD Jesus Christ. It is associated with what comes right after the White and Red Horses. What naturally follows after them will be Famine, Plagues and Hyper Inflation. This is what the Black Horse represents. It is interestingly associated with the Denarius. Why? It is about rendering to Caesar what is Caesar's, and to GOD what is GOD's. Thus, many who Study the End Times, suggest such Pareidolia Anomalies are possible Omens of what is happening presently or is about to. One could say, that due to the orchestrated release of COVID, that a Mass Die-Off of those that have taken the Gene-Therapy mRNA Injections has started.

## **Manipulated Metaphors?**

Many now argue that due to the Forced Lockdowns, the World Economy and the various Supply Chains for Food, Goods, and Services have been dramatically disrupted, by design. It has been reported that shortages and rationing have begun in some places, many Nations. In other places, Hyper Inflation has arrived and will continue to get worse as Food Prices, for example have tripled in less than a year. The other Prophetic Pattern that Bible Scholars are equating this particular Volcano at La Palma has to do with a Delivery or Birth process, that is tied to the Revelation 12 Sign Motif.

It is a depiction a Woman that is about to give birth but in much Opposition and Warfare. Most would argue that this is happening now with the Body of Christ that is seen as a 'Woman'. But, there is a Rapture Typology in the Sign. The Rapture event is that occasion when the Followers and Believers of Jesus will be 'Evacuated' or taken from off Planet Earth. As far-fetched as that may seem, most would not bat an eye in accepting what all those Super-Hero Moves exactly do the same in Predictive Programming such a similar event no? Consider the Thanos that at the snapping of his fingers with the Infinity Stones, half of the People in the entire Universe 'vanished'?

Nonetheless, the issue with the Rapture event will be explained away by the 'Alien Saviors' arriving and the Mandated COVID Injections, that are increasingly showing are becoming the primary cause of Death. It is a Globalist and Eugenics plan to Contaminate, Cull and Control the World Population with. It is a matter of time now as the Children are being targeting and if Jesus does not come soon for the Bride, there will be no Wedding to attend. Now the debate within the End Time Community, for the most part understand that such Pareidolia Effects like this 'Black Horse' suggest the 'Opening of the Seal Judgment' has begun as foretold in the book of Revelation. However, this is not the case. It has not happened yet; this was perhaps a 'Signaling'.

The Seals will commence with the 4 Horsesman but after the Rapture event, during the time called the Tribulation Period. And some consider that time to be the Last Shemitah or Sabbath Cycle that deals with Israel. It will be a time for concluding all that was revealed to the Prophet Daniel. It would be about summing-up and concluding all that is pertinent to 'His People, City and Temple', not the Church. There are others that believe that the Mega Tsunami that will inundate entire cities of the Coasts to topple Skyscrapers or that will be the result of Giant Asteroids that will hit the Ocean.

The book of Revelation does speak of a 'Star' that hits the Land Mass but also another one that is described as a Flaming Mountain due to the Lava Flow perhaps. This is another connection to the La Palma that can be made. Some are making this association that if and when the Island explodes, half of the island or 'Mountain' will be sliding or 'cast' into the Ocean. So, how is this particular Volcanic Eruption of La Palma unique? At any given time, there are an average of about 50 Active Volcanoes going off. One Blog Member of the Watcher Community at <https://rev12daily.blogspot.com/> named Jimboni commented that [volcano.si.edu](http://volcano.si.edu) reports that 51 Active Volcanoes are erupting presently. This is in contrast to an average of about 25 that is considered 'normal'. Since the last decade, their Frequency and Intensity have risen dramatically.

## **Prophetic Possibilities?**

It has been recorded that such Volcanic Activity and Earthquakes have skyrocketed. Are there other La Palma Prophetic Connections? Blog Member Sheila recalled a prominent Palm Tree in the Coin commemorating the Abraham Accords. She had pointed out that perhaps maybe the Palm Tree on the back might have a La Palma link. It would appear so. It is an interesting connection in seeing that. One would naturally associate the Palm Tree to that of the Saudi's/Arabs as that is the emblem on the Saudi Arabian flag. But if one sees the progression of the Islamic Sword Motif, they are all connected to what is unfolding now with the COVID plandemic.

The design and composition have the Motifs related to Nano-Technology, Vaccines, GPS Tracking, etc. They are all essentially Biblical themes. What is interesting is that the Palm Tree is right in the midst and it does depict Waves of Water issuing from its Roots. So, the question remains, could that be indicating a simultaneous event such as La Palma induced Tsunami? What is prophetically interesting is that the La Palma Island, is 1 of the 7 Main Islands and its name comes from Sirius, the 'Queen of Heaven' as mentioned. So? One can see it as an anti-type on Earth below of the Revelation 12 Sign Woman as it was in the Sky above then. Does it have to do with 4?

Is there a Prophetic Synchronicity of their mutual pattern occurring perhaps, 'in play' down below on Earth? Will it be or is it a type of concrete prelude of sorts to the fulfillment of the Revelation 12 Sign's timing of the 'Birthing' or Rapture event? After all, it has now been 4 years since the Sign occurred Astronomically. However, many End Time Watchers get ahead and miss the point that Signs Above, are to forewarn of future events. The Sign is not the event itself. So, if one runs with the Prophetic Metaphor, 'She', La Palma Island, is likewise in 'Convulsions' as if going into Labor and perhaps about to give birth. Birth to what or whom? This is where the Watcher Community is rather excited in that it could be signaling the Man-Child, the Bride of Christ.

Will the Rapture coincide or could with a Massive Explosion that will cast a Fiery Mountain into the Sea? And that there is then that 'Breaking of the Water' to suggest the Mega Tsunami event? It will remain to be seen. However, the point is that the Rapture event will be like a Birthing of sorts. The Bible is clear that when the Rapture event does occur, it will be as in an exchange; of an Escape and Destruction of some sort occurring simultaneously. Some would and do argue the contrary. That the whole Eruption and Earthquakes could end as fast as they began. True.

But if the Scientific Projections are any indication, it appears the Island is about to 'slide-off' the Map, literally. The People of the Island serious need to consider evacuating now. Thus, could the apparition of the Black Horse be indicative of this coming Catastrophe? Many Scoffers will and do criticize those that attribute such Pareidolia and Prophetic Metaphors to natural Geological occurrences like what is happening at La Palma. Fair enough. Perhaps all such Prophetic Metaphor being attributed to it are a stretch but what if there is an association. What if the 7 Islands like the 7 Churches are representing a 'Birthing' based on the origin of its Name, and when it started to erupt? What will be birthed and when?

## **A Birthing**

Many believe the Birthing event is occurring now due to the deteriorating circumstances in the World and that the Rapture is about to take place soon. As the Saints await this amazing event, so is the Planet. In fact, in the Bible, it states that the Creation is also waiting for the Revealing of the Sons of GOD, etc. So, interesting, that the Eruption day occurred leading up to the 4 Year Anniversary of the other Woman in travail. This was the Revelation 12 Sign of 2017. But if things get worse on the Island, for the safety of the Islanders, there may very well be the need to 'Evacuate' the entire island.

It will be then as all the People Depart, just like in the Rapture Metaphor, no? As to the Number 4 and La Palma Volcano connection to Rev 12 Sign. So, in considering the convergence of several factors already, consider then they are keeping with the possible Resurrection Rapture theme. Evidence? Consider the specific Time Markers and Biblical innuendos for good measure, especially linked to the Revelation 12 Sign.

- *As it is known, 9-23 was the 4-Year Anniversary of the Sign, from 9-23 of 2017.*
- *The 4<sup>th</sup> Year is when the Grace Period was over for the Unfaithful Fig Tree Parable.*
- *On the 4<sup>th</sup> Day is when Jesus resurrected Lazarus.*
- *The Red Dragon tried to spew from his Mouth Water to devour the Woman.*
- *But the Woman was given Wings to take flight, away from Danger.*
- *The possible Tsunami, if powerful enough will hit America's, 'Virgin-ia', 'Mary-land'.*

However, pertaining to the Mega Tsunami Model? There is a reservation about this possible splitting of the island. Consider the following comparison. If one remembers the Indian Ocean 9.1 Earthquake? As powerful as that was, the Waves barely did anything by the time they got to India and much less to Africa. And that distance to India is half-way from La Palma to the East Coast of the USA. So, it would have to be an Asteroid that would have to hit the Atlantic Ocean and near the USA, like the Caribbean to cause the 100+ meter/feet Waves. The Force and Energy would have to be enough to top the New York Skyscrapers as seen in the movies and in countless Dreams from People.

However, there are other Tsunami Models that suggest the opposite. That in the course of the Waves traveling, they will accumulate Kinetic Energy that will magnify its Power. But the Prophetic Imagery of the Red Dragon spewing-out the Water to get to the Woman, the 'Virgin', the 'Mary' that the Revelation 12 Sign is interesting. One is also seeing its 4-Year Number Association with a Flight and an actually 'Harpazo' as seen with the Man-Child. As mentioned, many Watchers also have had Visions and Dreams of how the USA, in particular will be destroyed. Why America in particular?

This 'Destruction' is sadly occurring now and deliberately from within. It is the case now with treacherous consequences in the name of Medical Science, primarily. It is an Orchestrated Demolition of the USA and the World will reach Critical Mass, just like the Volcano. But consider the timing. Why is the Numbers of any importance? Consider what occurred on 9-11 and the Pareidolia that happened then. How so? Remember the Demon Faces that were formed in the explosions as the Smoke rose from the shattered Skyscrapers? If anything that can be said with certainty about all this is that there does appear to be Spiritual Forces behind the occurrences. Their signatures are all over it.

## Circumstantial Evidence

**September 11** = 1<sup>st</sup> Earthquake Swarm observed by Spanish Monitors.

September 19 = 4.2 Earthquake in La Palma Island.

September 20 = Eruption begins.

September 22 = Fall Equinox occurs.

September 23 = Revelation 12 Sign 4-Year Anniversary.

Then how many who study the End Times, all got a 'download' as such, concerning the meaning of the Parable of the Unfruitful Fig Tree. So? It had a 4-year Probationary Period. Some will say, but that is a Fig Tree, this is a Palm Tree. True, but then another online Blog Member, Lyndsey looked-up when Palm Trees give Fruit and are harvested. According to her research, Palms begin to bear fruit in 4 to 5 years and reach full bearing at 10 to 15 years.

They can yield up to 40 to 80 kg (90 to 180 pounds) or more each. Palms are known to live as long as 150 years. Palms typically begin to bear Fruit in April or May and are ready for harvest around late August to September. So, as one can assess, the Agricultural and Harvest Cycle for Figs are practically identical to that of Palms. Then with the discussion about the various Biblical Metaphors being applied to the Volcanic Eruption, another Blog Member, named Bob noted that he believes La Palma 'appears to fit into the grand scheme of things'.

He suggested that since there are 7 Main Islands, that perhaps it has a connection to the 7 Churches of Revelation. He did further suggest other Celestial Motif, that of the Pleiades that is also a Prophetic Metaphor of the Church on Earth. He also stated that if the Mega Tsunami was to hit the East Coast of the USA, it would be in approximate alignment to Charleston, South Carolina and how in Florida, Palm Beach is a popular attraction. He may not have realized but the Latitude of Charleston is at the 32 Degree Latitude where the Mother Lodge of the Freemasons is headquarters for the entire USA.

And as to the Pleiades, the Star Cluster is 33 Degree or 3 Degrees from Taurus. As it pertains to the Pleiades, it is called Astronomically, the 'Congregation of the Shepherd' or the '7 Daughters of Atlas' who is accompanied by Pleione. She helps guard the Sheep Fold, a type of Orion and Sirius, etc. Are there any further possible Biblical Motifs related to 'Palms' in Scripture and La Palma Island with its menacing Volcano Eruption and now the Black Horse of the Apocalypse pending?

Well, another Blog Member, named Archangel reminded the Community of Jesus' Triumphant Entry into Jerusalem on Palm 'Sunday' as the People waved Palm Branches and placed them in the His path. The Palm Branches were waved because the People there saw Jesus riding in as a Conquering Hero. The People believed it would be Jesus who would save them from their Enemies, the Romans in that day and age. However, it was Jesus who was 'Saving' the People, from their sins. Likewise, Jesus at the point of the Rapture will be saving His People from the Enemies on Earth and the Horsemen that are coming. As to that connection to Palm Sunday, during the Tribulation Period, all those Overcomers and who did not take the Mark appear in Heaven.

## **Of Dreams and Visions?**

This particular group is 1 of the 7 'Translated' Cohorts and have Palm Branches. Revelation 7:9 depicts this, primarily being of those Redeemed out of National Israel. But, the Palm Branches thus represent Overcoming Victory, Rest, Praise, Deliverance. So, perhaps it is indeed that as the 7-Island 'Queen of Heaven' Motif with 'La Palmas' and the Black Horse is in some way signaling a pre-cursor of that is soon coming on Earth. For the coming Bride of Christ that Metaphorically, will be as with Palm Branches for having Overcome and been Delivered.

Thus, La Palma Eruption could be signaling this. It is interesting that a Debut is coming, of a Christ. But it will not be Jesus that is to come. But what is happening with the Medical Martial Law is that this Debut is being set-up now, all the World over for the AntiChrist's 'Triumphal Entry'. As one can start to comprehend, La Palma Volcanic Eruption Metaphors are not some off-the-wall ideas. There does appear to be Prophetic Overtones that are rather interesting if not amazing. Is there another Palm association in the Bible then? Yes.

Another Blog Member, Lyn Melvin shared a YouTube video of a Bill Larkin that describes with detail a vision he had of a Tsunami Destruction coming to the USA's East Coast. But this vision was posted back in 2012. Another very interesting point was that the Tsunami was caused by a landslide in the Canary Islands. He said it would occur in a month of August but was not certain of the year. The Volcanic Eruption of La Palma has captivated the attention of the entire world. One cannot remember such a spectacle of such a magnitude. Why?

What has become rather strange is that the Satellite pictures over the Volcano shows concentric Rings of Clouds. The majority of the Air surround the Volcano comes from the Ashes and Dust that has been thrust up. It does appear surreal in viewing the sky from ground level. The concern? Some who study this sort of occurrences suggest that perhaps there is a Nefarious Element of Man-Made Manipulations going on using Weather Weapons like HAARP to exasperate the event. Evidence?

Another Blog Member, Jimboni made the following observation. It is paraphrased with minor editing. It has been reported that the entire Island is resonating, as in Frequencies. It is not believed to be 'natural' as this configuration of Concentric Rings of Dust and Ash Clouds permeated out of the Volcano center. It is being called a Geological Phenomenon. It was categorized as having 'Rhythmically Displacement' due to the sheer volume of Material being thrust into the Atmosphere. The concern? Scientists say that the Harmonics are Force Multipliers. Meaning?

Consider a Wine Glass that is subjected to a resonating Sound Frequency or that of the proverbial Opera Singer. The Sound Waves cause so many Vibrations that the molecules that constitute the Glass, break apart. This is what will happen to the entire Island, if such models come true. It can thus be catastrophic. Such a configuration is unprecedented nor seen before. And the Harmonic Disturbances are not known why or how they are occurring.

## Harmonic Convergence

If such a 'Harmonic Convergence' continues, the sliding-off of the Mounting into the Sea will occur or can. Realize that on any average day, there are over 100 Earthquakes occurring all over the World. Most are nominal between 1.0-2.5. Since 2000, and especially since 2015, the Frequency and Intensity of them have 'Skyrocketed'. About 10 years ago, one would be hard pressed to see 5.0's once a year, if at all. Now, they are occurring practically on a daily basis. This is alarming.

One is now persistently seeing 7.0's every other week/month, etc. But like 'NASA', with its tactics, some of the Earthquakes are scaled-down. Same for Volcanoes. On average, as mentioned, there are about 50 Volcanoes erupting presently all over the World. So, the notion that the 'Ring of Fire' is 'exploding'....well, yes and no. The Ring of Fire, especially the one in the Pacific Rim is being triggered, but not in all the other major Fault Lines, except at La Palma. But based on the evidence provided and the Prophetic Metaphors correlated, can one say, that perhaps the Earth is mirroring the soon 'Birthing'? Could that be of the Body of Christ, the Rapture event?

If one can say anything that would be for a fact and certain, is that the 'Contractions' of the Planet will get only more Intense and Frequent. Thus, to conclude back with the Pareidolia of the Black Horse of La Palma. There is one last connection of a possible continued Prophetic Metaphor, dealing with the Black Horse of the coming Apocalypse. Another Blogger named Dean shared how in a recent visit to his Parents, his Dad gave him a Liberty or Peace Coin from 1923.

And it made him recall how he associated it with the Denarius of the Days of Jesus. What is amazing is the association of the Denarius with the Black Horse. As mentioned, it is signaling the Great Inflation that has started to be felt and how that will cause Mass Famine across the World, especially in the Poorer Nations. Let us examine the implication of the Denarius. According to research, the Denarius was the standard Roman Silver Coin for payment.

The word Dēnārius is derived from the Latin dēnī, which means that it 'Contains 10'. This was based on the original value attributed to it. How this plays metaphysically with End Times Prophecy is that on one hand, the coming New World Order will start with the 10-Toe Confederation of the last rendition of the 4<sup>th</sup> Beast Empire. Then on the other hand, the USA that is being imploded, intentionally is currently under FEMA Law Administration that has, 10 Regions.

And to suggest that this time is like a prelude to what will eventually occur during the actual days of the Black Horse of Apocalypse. As mentioned, the price of Food has tripled. There is now more hunger due to the Forced Lockdown and Business Closures, by design. What is key to note is that the Black Horse depicts a time coming of deep Scarcity or Famine, but not of Starvation outright as the Oil and the Wine are spared. This infers that the so-called Luciferian Elites will continue in their provisions without disruption, etc. What is also further prophetic is that a Denarius was represented as an X- or a Mark. It was a Capital Letter X with a combined Long Stroke Overlay.

This also echoes now during the 2<sup>nd</sup> half of the coming Sabbatical Year; the AntiChrist during the Tribulation Period will require this type of Mark on the Body of all Humans in order to 'Buy and Sell'. It will be essentially a Medical-Monetary-Religious construct that will be Biometrically infused into the very DNA of all Human Beings. It will be an Economic System. The average weight of a Denarius, at the beginning was around 6.81 grams, or 1/48 of a Roman Pound. By the late Roman Republic and early Roman Empire, a Common Roman Soldier or Unskilled Laborer would be paid 1 Denarius a Day in Wages for his Services/Labor, etc. This will be the case again in the Days of the Black Horse.

Using the cost of Bread as a baseline, this pay equates to around U.S. \$20 Dollars in 2013 value. For further, to sustain a person alive for 1 day, it would require about 1 Quart, or 1 Litre of Wheat per day. This was and will be again the Daily Ration of 1 Adult. Thus, in the coming Tribulation Period of the Black Horse, the Daily Income for a Working-Class person, if they can find work, will only buy enough Food for only 1 person. And lastly, what did Jesus say about the Denarius? 'Render unto Caesar what belongs to Caesar and render to GOD what belongs to GOD'.

This is the key in maintaining a Biblical Perspective and Context in these Last Day as the World Economy is imploding, by design. It is about who one work for, what one does with one's Money and Resources, tangibly. But the crux of the matter and how that will affect one's Destiny is who belongs to whom? Which King? Which Caesar? This is the difference. Because if Jesus is not one's King, the Black Horse will be Riding soon. And the Black Horse is just the beginning of the 7-Seal Judgment of Christ Jesus. It could be nothing but an 'Illusion', a Mirage. Or could the Black Horse of La Palma have been a Prophetic and Metaphorical Prelude perhaps? Is all this presented what was being signaled with such an effect of Pareidolia during the dramatic Volcano Eruption of La Palma?
