Welcome.....to Lindsey's Chatter

Welcome to the first edition of "Lindsey's Chatter", a newsletter for the employees of Lindsey's Lumber. We will be issuing this newsletter each month.

In each edition of the employee newsletter you will find information covering a variety of topics, including:

- Project Updates
- Employee Profiles
- Important Company News
- Safety Reminders
- Birthday's & Anniversaries

If any of you have suggestions on topics to include in the newsletter, please feel free to leave your suggestions with someone in the office.

Employment Anniversaries

Adam Lindsey - 11 years
 Terry Dickey - 11 years
 Kevin Allstott - 1 year

Get to know Bob Middleton

Our first Employee Spotlight of the Month is Robert "Bob" Middleton.

He has been with Lindsey's Lumber since September 22, 2003. Bob latest job duties have included being the Supervisor on the North Wing at the French Lick Resort - Casino.

Bob and his wife Debra recently celebrated their 20th wedding anniversary on March 28, 2007. They are the proud grandparents of Zack, 12; Cody, 10; Seirra, 8; Marvin, 6; and Matt, 8 months.

In his spare time, Bob enjoy riding his motorcycle, fishing and doing woodworking projects.

What can you do to prevent accidents?

Have you ever wondered what you can do to prevent accidents? Maybe, like many people, you believe accidents are bound to happen and there's not much you can do about them. Or, you may think that they only happen to the other person. Well, the truth is that accidents do happen to everyone and often can be prevented.

Here's something to think about. Statistics show that in many cases an accident could have been prevented by the

victim. And, in other cases, by a co-worker. Think of accidents that happen to people you know. Usually it was a stupid mistake. Right? In other words, that person or someone else working on the job could have prevented it. Here are seven ways you can do something about preventing

accidents:

1. Make accident prevention a part of your daily routine.
2. Report unsafe acts or conditions to your supervisor.
3. Avoid Horseplay
4. Follow instructions
5. Make suggestions
6. Practice good housekeeping
7. Dress for the job

Get to know..... Terry Dickey

Terry has been employed with Lindsey's Lumber since April 17, 1996. His job duties include carpentry work and he enjoys helping out wherever he is needed.

In his spare time, Terry's hobbies include fishing and mushroom hunting.

Terry enjoying breakfast at the Colonnade Buffet.

Terry has three children: Terry B., 32; Mandy, 30; and Corey, 29. He also has three wonderful grandchildren, five year old Acosia, three year old Thadius and 2 year old Logan.

Human Resources

- It is very important to keep the office informed of any change of address, change of phone number, change in family (including marriage, divorce, birth, adoption, etc.)
- It is also important that you verify your Social Security Number before W-2's are printed each year.

Visit us on the web

Did you know that Lindsey's Lumber now has a website? We are still adding information to it, and would love any suggestions that you might have.

www.lindseyslumber.com

In every issue of the newsletter there will be updates on our current and upcoming projects. This section will cover what has been accomplished and what the short term goals for the upcoming months will be. Mark Lindsey will be writing this section each month.

Project Updates

Brosmer Kemple Funeral Home

This job is basically complete. We will have one more punch list to do along with our standard one year warranty. I'm very proud of how this building turned out. The owner is happy and said he has had many good comments.

West Baden Dome Windows

This job is nearing completion and should be complete by the end of March. The owner is pleased with the work as Randy, Kevin, Tommy & Steve have done a fine job along with B & E Painting.

Springs Theatre

This job is off to a good start withstanding some weather delays. Red iron is going up and we will need to really get moving to complete this project by July.

Historic & Specialty Suite - West Baden Hotel

We have just recently been able to get started on this job and the owner wants it completed by 3/30/07. We will be shifting workers to this hot spot until it is completed.

Orange County Beverage

Knies Excavating completed their work on 3/16 and we anticipate starting foundation work the week of 3/19. The owner is out of room and needs the space ASAP!!

Dome Dumpster Wall - West Baden Hotel

As crunch time approaches, the owner asked for a little help and we were more than happy to oblige. Jason, Tony & Tyler are pouring 71' of 12" wall & a set of steps.

Spring Mill Door Replacement

Shop drawings are in process and we will begin once all materials are in hand. This is a nice little job replacing (2) historic doors at the Inn & (2) steel doors at Butternut Restrooms. I've always enjoyed working at this beautiful park. This will be our 3rd or 4th job there.

Ability is what you're capable of.

Motivation determines what you do.

Attitude determines how well you do it.

- Lou Holtz

REMINDERS

If you have a job related injury, please note date and time and notify the office as soon as possible.

If you have not already done so, please complete and return your information form for the newsletter.

We need to get this information from you so that you and your family members will be included in the newsletter each month.

BIRTHDAY'S

April 26 - Gabe Lindsey
