Important Message:

We are working on the front door. At this time, I am asking congregation members with fobs to open the electric door, **please do not use them** until we have fixed the mechanism in the door.

If you have a key to the Kitchen or the Education wing, please use those entrances. If someone needs access to the building without the fob or a key, please contact Bill Hagan (847-560-0358) and he can be of assistance.

Madagascar Happenings . . .

On Saturday, May 1, Santa Gregoire (St. Gregory's Church) in Fort Dauphin Parish celebrated 10 years of ministry. Many of us sent emails to Dean Donne congratulating the congregation on this great occasion. We received responses thanking us for our well wishes and prayers. That Sunday, May 2, most everyone who was in the worship service here, went outside and unfurled our banner congratulating them.

This picture is going to be sent to all the churches that are parish links (plus those that are thinking about it) to show them what a new parish link can do. It is going to be used in a Power Point presentation Patsy is creating as well. So, we could be famous, friends!!! It IS a great picture.

On Sunday, April 25, Assistant Bishop Samitiana was installed as the new bishop of Toliara (left vacant when Todd McGregor returned to the US). A very large number of people had been invited to the service, but an increase in COVID cases necessitated a maximum of 50 people in attendance. Some of us sent emails to Bishop Samy with congratulations and prayers. He was very grateful for our interest and prayers. (Bishop Samy was scheduled to visit us in May of 2020, but COVID visited instead. He is hoping to come over as soon as travel from Madagascar is possible.)

You have been hearing us talk about being a parish link with Fort Dauphin Parish. Tune in next week when I will explain what a "parish link" is and how we got to be one.

Contact Miriam Berry if you have any questions.

Wednesday Book Study

On Wednesday, May 5, we had a total of 8 people for study group; 6 in person and 2 Zooming on in. We had a bit of trouble with microphones, but all in all, the Zoom experience was not so bad. A huge thank you to Mike Robison for his technical help.

As you probably know, we are reading Patsy McGregor's book, *Tamana : At Home in Africa*, which is the story of her struggles to return to Madagascar with her husband, Todd, who had just become the assistant bishop in the Diocese of Antananarivo and missionary bishop to Toliara. The book is organized based on the six themes from *The Celtic Way of Evangelism* by George G. Hunter.

We had wonderful discussions on "Go to the People," which got Patsy back over to Madagascar and specifically to the town of Toliara, where the Cathedral would be built along with other important buildings for a new diocese. None of us has been involved in

the creation of a new diocese, so finding a shell of a building with nothing else has been very interesting.

Our assignment for May 12 will be to read "Live Among Them," from page 61 to page 106.

It is not too late to join us, so y'all come. The Zoom information is in the announcements each week.

By the way, on May 19, Patsy will be Zooming on in and will be spending the class with us. She is an interesting lady.

For all those who serve in the Armed Forces, including *Liam Mellen, Chad VanHorn, Christopher Pavy, Nick Unda, Ian Pocklington, Ethan Pocklington, Christopher Froelich, Karl Mohrmann, Trish Hull, and Clay Anderson.*

For those who celebrate birthdays, anniversaries, and other good news this week, especially *Diane Leath (5/15) and Geoff & Cindy Pullinger (5/11).*

We praise you, God of our hope, for all the faithful before us who entered into your labors and worshiped you in truth, especially *Dolly Huesing (5/12/2007).* That we may live faithful to eternal life, we pray.
