11:20 meeting began.

This meeting was in regards to a notice that was sent to Lowell residents concerning the hours and availability of the library. Sandy LaDeau and Amanda Carlson (Town Clerk and Assistant Town Clerk) offered to open library if a town resident would like to borrow a book during off hours. Sandy LaDeau made her comments via text with trustee Jill Legacy. The board voted unanimous. The library will be available every day to borrow books only. Anyone wishing to access this will need to see Sandy LaDeau or Amanda Carlson in the town clerks office and will be supervised by them. The library is to remain locked unless Sandy or Amanda are providing supervision. Sandy and Amanda will be made aware of books that are not for borrowing
