

METRO FIRE

APPARATUS SPECIALISTS, INC.

Metro Fire Apparatus Specialists, Inc Established in 1986

Metro Fire is a single-source fire apparatus and equipment distributor based out of Houston, Texas with sales and service facilities in the South Houston, Mansfield and Austin areas. Through diligence and commitment to safety, customization, and innovation of all products and services, Metro Fire's mission is to work towards "The Pursuit of Perfection." Along with its own line of custom brush trucks and command vehicles built on Ford, Chevy, or Dodge chassis, Metro Fire is also a servicing distributor for Spartan Motors, Super Vac Incorporated, Holmatro rescue tools, Scott Air Packs, and a variety of other loose equipment.

Metro Fire is seeking motivated, detail oriented individuals to join our expanding, competitive workforce.
