

CHARTER MASTER TRIP REPORT
Marshall Goddard
JUNE 19TH FISHING REPORT ON ¾ DAY TRIP

Trip started out with 15 OSA Anglers (3) could not make the Trip due to personal reasons. We were listed to board the 60 Foot Sea Trek but given the 90 foot Electra, 90 feet and only 15 fishermen made for a day of pure pleasure. Fact is, they All ended up on the fantail. I asked why they all stayed so Close together, they replied that they couldn't talk to each Other as the boat was so big. Ocean was calm, water temperature 69 degrees, and the sun was out most of the day.

Fishing was good most of the day with kelp bass in the am And limits of Sculpin, for all in the pm

Fish report: 19 keeper calico-many undersize returned

- 75 Sculpin
- 4 Barracuda
