JESUS CHRIST!
“THE RESURRECTION.., WHAT AN EPIPHANY”
‘Let Your Life Be A Statement, Not An Apology.’

Matt. 28:1-6

Jesus’ resurrection was the *epiphany* of God.

Epiphany: a moment of great or sudden revelation; an intuitive grasp of reality through something usually simple and striking; an illuminating discovery, realization, or disclosure.

Epiphanies:

- defining moments
- “aha” moments
- life-changing revelations
- your lens of life change
- your “knower knows”
- are more real than reality

“An epiphany is when the mind, the body, the heart, and the soul focus together and see an old thing in a new way.” Maya Angelou.

Wisdom of an epiphany:

- It’s time to stop letting your history control your destiny.
- Your past choices made you who you are today.
- Is the ability to see into the future, the consequences of your choices in the present.

“The epiphany was like life opened a doorway, and my job was to walk through it. I didn’t know what I was going to find. I didn’t know what was going to happen. But in life, you don’t ever know what’s going to happen. What I do know is that as life continues to open these doors, I feel safe enough and *trusting* enough to walk through them.” Kristin Neff.

Have you had an epiphany with Jesus Christ?

Have you found out what life is all about? Life is all about **JESUS CHRIST!**
