CLASS SCHEDULE : OCTOBER 2025

Recommended ages: 12 – Adults

WATERCOLOR PROGRAM:

All of the Watercolor classes are multiple sessions; 2 – 4 weeks dependent upon the level. They are instructor led, step-by-step instruction. Although we are referencing the same picture, every painting will become unique to the person creating it through style, color use, and ability.

Watercolor: Basics

Starting you off with the groundwork to working with watercolor. You will learn basic terminology and base techniques. Many special techniques will be taught. Plus, you will learn about the various materials.

Single Class Fee: \$15 total

Monday, Oct 6: ○ 11 am – 12:30 pm **OR** ○ 5 – 6:30 pm

Guided Watercolor: Beginner

For the true beginner; minimum of 3 months recommended at this level.

You are going to learn some really fun techniques - special effects, actually – to create this painting. It will be good practice for: color selection, water management, color removal, shading and fine line work. These are going to turn out way better than what this original looks like!

Plus, work with **ANY color background you want!**

Session Fee: \$40 total

Mondays, Oct 13 – 20: ○ 11 am – 12 pm **OR** ○ 5 – 6:00 pm

Guided Watercolor: Intermediate

This series is for students with some watercolor knowledge equivalent to 3 beginner classes.

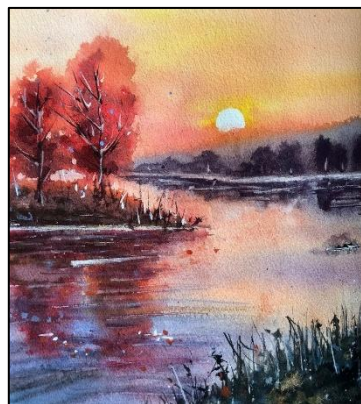

Scenes are extremely popular to create with watercolor because they are the perfect topic for the flowing colors. But, scenes take practice to perfect. This month will be your opportunity to start building up your skills.

You're going to learn how to handle sky, water and tree creating. Depth, contrast and color will also be discussed and practiced.
