Match Report - Jane

This is a brand new League, just started, so we have entered our U13C team, playing girls who don't often get League matches. This was a huge success, winning our first match convincingly, and battling hard but losing the second match. An enjoyable start to the League. Star Players were chosen by the opposing teams, and richly deserved by Katie and Zoe.

U14s Match Report - Natalie

The U14As has a great morning's netball with two well deserved wins.

The U14Bs had a good first match and managed to pull off the win, but came up against an amazing Richmond Ravers team who proved far too difficult to keep up with. A special mention to Nicole Munro for a really gutsy performance.

U15/U16s match Report - Natalie

Today proved very difficult for the U15/16s due to a number of girls being unavailable or leaving before all matches were played. Having this many girls out caused huge problems and has necessitated a number of girls having to play up to five matches, which is far from ideal, as well as having to ask U14s to come back to Nonsuch in the afternoon. Girls were having to play out of position, and then as a result of an injury, having to fill in and do extra matches, purely because we were short of players. These girls were absolutely shattered by the end, having played their socks off.

Squad girls are expected to be available for every fixture, unless there is an extremely good reason why not. Unavailability lets the rest of the team down, and it causes a lot of extra work for the coaches.

Huge thanks go to those girls who went above and beyond today in helping out the teams.

KINGSTON DISTRICT NETBALL LEAGUE

Ashtead Ladies v Teddington Thunder LOST 21 – 49

Star Player: Faye Rainger

Match Report – Natalie

The ladies are improving all the time but once again came up against a well established team who have just joined this league, and so have to join at the bottom, even though they are not that particular standard. Great time was had by all however, and the refreshments proved a big hit after the match.

Congratulations to Faye who was voted Star Player by the opposition.

FRIENDLIES

U13C v U12C

U13s WON 11 - 4

Match Report - Lizzie

This was a great friendly match to prepare the U13's for their impending first league match on Sunday and to give the U12 team another chance to play in a competitive match. The play was closely contested in the centre third but some excellent shooting from the U13's GS/GA made all the difference and although the U12's finished strongly, the final score was a well deserved 11-4 to the U13's. Great enthusiasm from all the girls on a cold evening - lovely to see.
