

BNC Phoenix Activities During COVID-19

Since the health and well-being of our members and our community are paramount, we will adhere to guidance from Brandeis University and the Brandeis National Committee (BNC), while keeping current local health conditions in mind. To that end, no BNC Phoenix Chapter in-person activities are planned for the remainder of 2020. We will reevaluate for 2021 as conditions evolve.

Be well and we hope to get together again at some point in the not too distant future.
