'Therefore go and make Disciples of all Nations, Baptizing them in the Name of the Father, and of the Son, and of the Holy Spirit, and Teaching them to Obey all that I have Commanded you. And surely I am with you always, even to the End of the Age'. -Matthew 28:19-20

The purpose of this study is to consider the various Day Counts as to why one could suggest, 2022 could be the Year the Church Age Ends and subsequently the Rapture event. As a Disclaimer, one is only presenting the Timeline and Rationale for why it would appear to be so. Although the 'End-Date' does lead to a Specific Date, July 23, 2022 (723), one cannot 100% absolutely state that on this Date, the Rapture Day will finally be realized. One is only simply using the same Pre-Suppositions, of any given Year, that Pentecost is the highest Rapture Zone to be Watching for.

But that Pentecost, in one's Alternative Interpretation of Leviticus 23:16, should be a Double-Count of 49 Days Numbered and then a Count of 50 Days thereafter. That Calculus has been consistently used and applied now to each passing Year for about a Decade. One is not doing anything different now in applying the same Rationale, Logic and Day Count Template to 2022. In so doing, some amazing correlations and Day Counts do emerge that will be highlighted in this Article. And it is for this reason that one believes, 2022 could very well be the 'Last Year' of the Church Age and thus the Rapture. One is not dogmatic about it as one can only Test and Report the Timeline. Those of one's and others have been piled-up in the Heap of Discarded ones so far.

Only 'Time will Tell' and prove these Day Counts wrong for 2022, once more. Or it will finally coincide, synchronize to the 'Year' that has been sought-out for in Waiting. Again, this Pentecost Template along with the Calculus appears to 'work', given the various Variables but what Year? Before one delves into this Inquiry and Conjecture for 2022, one has to bring-up a prior Article for context. Back at the beginning of Summer 2021, one had a Dream of a particular 'Number'. It flashed across a Canvas. That number was '723'. One noted that it seems a bit odd as one does not normally remember Dreams.

Then about a few Days later it exactly occurred as before. Then one took note of it. One can read the Article for details and background ([Here](#)). <https://www.postscripts.org/ps-news-517.html>. How this is tied to the possible Rapture Date for 2022 is that this is the precise Day that one's present Calculations are based on. At the time, one supposed that 2021 could have been the Year as the 'Date' perhaps had inferred. That is what 1st came to mind; 7 for the Month of July and 23 for the Day. But was it in the Gregorian or Rabbinical Calendar? Would or could it have been the 7th Jewish Month instead?

Confident Calculus

Needless to say, it was interesting and obviously, the Rapture did not occur on (723) July 23, 2021. One had reluctantly shared the Dream within one's End Times Watching Community. But one felt compelled to at least share it because it occurred twice. It was sort of embarrassing as one does not usually put-out speculative specific 'Rapture Dates'. One was even thinking of pulling-down the Articles and not archiving it out of embarrassment. But the Article stayed-up and was forgotten about. Until now. What if in fact it was a '1 Year's Warning'? As the Rapture High Watch Dates came and went, the Community went-on to the subsequent Calculations and Rationale for them. Since then, the Year's Cycles of Watching for the Rapture, the Blessed Hope have come and gone.

It is understood that the Rapture Date itself, down to the Day, Month and Year may not be known, but the Season can be. This is especially true as one and others argue, the Church Age is about to conclude. Jesus said it would. It is only a matter of fine-tuning the Calculations perhaps. Thus, in so doing for 2022, the following Timeline Calculus is presented only as a possibility and accented by the 723 Numerical Value as shown in the Dream. Before the study of the calculations is presented, one will disclose what is one's Biblical Point of View and Interpretation. This is Key to the way and why one is excited about this 2022 Timeline as no other, thus far in one's Years of Research.

Obviously, the Timeline can be wrong as one supposed the Number 723 pertained to the Year that the Dream was given in 2021. But as noted, what this study will show through the Timeline and Date Calculations are some particular Dates that, at least should be considered High Watch Dates for 2022. The following will outline one's Pre-Suppositions and Prophetic Framework. A **Key Pre-Supposition** that will frame the entire Timeline and Year is that the Rapture 'Timing' and End of the Church Age is defined by Sabbath Cycles of Time, those being 7-Year Segments. It so happens that from the Fall 2021 to the Fall 2022 will have been the 7th Year in the current Sabbath Cycle.

This then implies that in the Fall 2022, on Yom Teruah will start of the new 7-Year Sabbath Week of Years. And? It could very well correspond to Daniel's 70th Week of Years or the Tribulation Period, but with Shemini Atzerets. See Article for more details and understanding ([Here](#)). <https://www.postscripts.org/ps-news-595.html>. The **next Pre-Supposition** in establishing the Start Date of the Rapture Timeline is based on having the 1st Month synchronized to the 1st New Moon after the Spring Equinox. Why? This is how one believes YHVH, the Creator has set it up to where Time is Calibrated for Earth.

This Supposition is based on the premise and understanding of the Solstices and Equinoxes and that the Earth is indeed a 'Globe'. More information about the Astronomical Clock can be read ([Here](#)). <https://www.postscripts.org/ps-news-508.html>. The 'Wobble' or Tilt of the Sphere is what currently sets the North and South Latitudes and thus the Seasons and 'Time'. This is why the Rabbinical Calendar is off-sync due to it only being Lunar and derived from a Fixed Mathematical Calculus. And the issue here? Due to it being pegged solely to the Lunar Cycle, the Calendar Days will creep and become inaccurate as they no longer are recalibrated to Spring and Fall Equinoxes. What is very interesting to note is that for 2022, both Calendars are nearly equal.

Synchronizations

But if one uses a Hebrew to Gregorian Calendar Converter still for 2022, there will be about a 1-2 Day difference. Thus, this has to play in the Calculus to say that the Timeline and Date suggesting when the Rapture, if it is or would be occurring in 2022 might be off by 1 to 2 Days from one's Calculus. Nonetheless, one is exclusively counting from the Spring Equinox to determine, in this case when Passover should really be celebrated. According to the Bible, it should be the 14th Day of the 1st Month, Nisan. And Nisan (Aviv) starts on the 1st New Moon after the Spring Equinox. Thus, this will ensure that by the 14th Day, Passover will always occur on a Full Moon, etc.

The **next Pre-Supposition** that one holds, is as noted that the Interpretation of Leviticus 23:16, regarding Pentecost should be a Double Count. What is this? An Article about it can be found (**Here**). <https://www.postscripts.org/ps-news-352.html>. There are several layers of meaning and applications to consider. There is the Rabbinical Interpretation that Counts the Omer from the Day after Passover. Why? The Jews consider the Feast of Unleavened Bread, the 'Morrow after the Sabbath'. Passover was a High Day Sabbath but one contends the Sabbath inferred is the Weekly one. Then, the Day called 'Shavuot' or what is referred to as Pentecost in Christianity will always vary by Year.

Then there is the Christian calculation that later-on fixed the Date but several Denomination, like the Orthodox Calendar differ in the Start Date also. However, what they all have in common is that they only consider the 1st Portion of the Decree, that being only the 49 Days that are counted or 7 Sabbath's Time. The Prevailing Interpretation is that then the Shavuot Count is to be the 50th Day thereafter. That is why it is called Penta-Cost, as in '50' in the Greek. However, there is a growing Belief and Understanding that it should be the 49 Days or 7 Sabbaths, which is correct, but not the 50th Day is to be counted only, rather 50 Days need to then be added thereafter.

Why this Interpretation has been lost, could be because if the Jewish Religious Leaders would concede to this Calculus, it lends more credibility to the Gospel Narrative. How so? On the 99th Day, that is 'When Pentecost Fully Came'. This strange phrase has puzzled Christians since that was penned by the Writer of the Book of Acts. The Clue, as to its correct Timing is that it coincides with the Timing of the Feast of New Wine. And this occurs towards July in Summer. Then the **next Pre-Supposition**, Prophetically, is how one believes that the present Dispensation, that of the Church Age is marked by its 'Beginning' and perhaps its 'End' to occur on a Pentecost Feast. It mirrors or is the Chiasitic Feast, given the Menorah Typology that all the rest of the Feast henge upon.

It is because one contends that the whole of Prophetic 'Church Age' Time is contingent upon such a Creation Week and Menorah Typology. More about this concept can be read about (**Here**). <https://www.postscripts.org/ps-news-475.html>. The 4th Feast, which signifies the Door, the Center Servant Stem, the Root, is the 'Fold' in which it faces the 1st 3 Spring Feasts and then also faces the 2nd 3 Fall Feasts of YHVH. Why is this important? In Exodus 34:22, the following gives the Clue as to the Timing of True Pentecost. That it occurs after the 'Turn' of the Year. The 'Turning Point', or Day that 'Halves' the Year for a Non-Leap Year will be July 2, 2022, the 183rd Day.

Glory in the House (Body) Typology

'You shall Celebrate the Feast of Weeks, that is, the First Fruits of the Wheat Harvest, and the Feast of Ingathering at the **Turn of the Year**'. This means then that Shavuot cannot possibly be corresponding to the 3rd Month. It would be too early. Then many argue that the Commission was given prior to Pentecost by Jesus to the Disciples, at the Shoreline of Galilee. This is true. And that it was the Precise Time the Commission was even brought-up and explained. But was it actualized at that time as a Corporate Body that was not yet 'Born'? One contends no. Why not? The 'Body of Christ' had not been Initiated just yet. The next **Pre-Supposition** is really Theological in Interpretation.

Meaning that it was Fulfilled but being fulfilled presently still. It is not 'over' yet. It will be. The Feast of Pentecost, Prophetically is when this 'Body of Christ' came into existence, by the coming of the Holy Spirit, Corporately and Individually, as never existing before. And that since then, it is a 'Present Tense' working. It is a 'House' or Temple Metaphorically being 'Built-Up to Completion'. When? At the End of the Church Age with the Resurrection-Rapture event. The difference? That 1st Pentecost after Jesus' Resurrection dealt with a House, but a Body too, both Corporately and Individually.

This House, was the House of YHVH, one contends. It was the Temple on the Temple Mount, not the Upper Room 'House'. And it dealt with the Human Body as a Temple too. How so? The Holy Spirit 'Came Down' as promised by Jesus that He would send the Comforter. This Age of Grace would coincide with the Motifs of the Fish, the Net, an 'End' of a Summer Harvest, etc. It would be an 'Age' and it would 'End' someday. What one argues is that what made the difference then was that on that 99th Day after the Sabbath, after the Passover, GOD the Holy Spirit came down where the House of YHVH was at.

And it was there that He then Indwelt the Followers of Jesus' 'House' or Bodies, as never before nor will, there where they were at, not at the Upper Room. The 'Body of Christ' was 'Born'. This study thus postulates that the Disciples where more than the Core 120 and where at the Temple Precinct, which is the 'House' of YHVH. The occasion was Pentecost as in that Time, the Religious Jews had been keeping it as it should with the correct 99-Day Count. This argument can be read about in the following Article ([Here](https://www.postscripts.org/ps-news-232.html)). <https://www.postscripts.org/ps-news-232.html>. No way would 3000+ Pilgrims fit in the Narrow Streets of Old Jerusalem. Only on the Temple Mount could such a Gathering be able to be accommodated.

Realize that at that time, the Disciples were Bold in their Witness, out in the Open, Public and gathered at the Temple. Before that, they were afraid, cowering and hiding in the Upper Room due to the Death of Jesus. To be associated with Jesus directly was a sure Death Sentence and then the Stigma of Him being a Criminal, etc. But once Jesus appeared to the Disciples, in His Glorified Flesh, that 'Sealed the Deal', literally. It was all true. The Indwelling of the Holy Spirit was a Seal and 'Down Payment'. This gave the Disciples Boldness and Courage to carry-out the Great Commission. The Indwelling birthed the Body of Christ for this Endeavor or 'Great Work', until the 'End of the Age'.

Is the House (Temple) Finished?

Thus, one contends, that as this 'Corporate Body' was birthed in the House of YHVH on the Temple Mount. And that as the Glory of YHVH came to the House on Earth, and left from there, as seen in the Book of Ezekiel, one argues that such a process will occur in like fashion when this Body of Christ or Temple is completed. When? At the Resurrection-Rapture event. Or that proverbial 153rd Fish is 'Caught in the Net'. It is that in this present 'Pentecostal' Dispensation or Prophetic Intermission, the 'House' or 'Houses' of YHVH or within now each Individual's Body of a Believer and Follower of Jesus that make it up, are being built-up to complete what many call the Bride of Christ.

This is why one believes that there is then a direct link to Pentecost, when the Holy Spirit came down to when it will go up, as one contends, Corporately. But in this case, will be taking what has now been Divinely Fused together, the Bride the Groom through the Holy Spirit. Not to belabor the point, but this is Key in understanding the Timeline and Rationale for why the Rapture has to be tied to a Pentecost Feast. How so? By the End of the 'Age', the Bride of Christ, as a Corporate House, having been 'Built-Up', much like Eve was from the existing 'Material' and Body of Adam will have been completed. It will be like with Solomon.

Once the House of YHVH was finished, the Glory came down and occupied it. Consider how King Solomon, dedicated the House or Temple of YHVH. Fire came down as a Witness of the Offering and the Initiation of this New Order commenced with that completion of the House or Temple of YHVH. Thus, at the time of the Pentecost, the 99th Day, when it had 'Fully Come', so too did Fire come down and 'ignite' the Souls, Spirits and Bodies of those gathered there of Jesus' Disciples. Why? At that time, like the Body of Christ, the House of YHVH began to be Build-Up, 1 'Brick' at a Time. Then consider how as a 'Token' and Reversal of the Sinai Rebellion, 3000 were added alone that Day that were 'Lost' at Mount Sinai, on the same Day Count.

Thus, these various Key Pre-Supposition are the bases of the Calculus that have been presented as only Evidence for a Rapture Zone in 2022. To reiterate, one argues that if and when the Resurrection-Rapture does occur, it will coincide when the Church Age was 'Empowered' by the Descent of the Holy Spirit. The Rationale is that, as the Holy Spirit Descended Corporately, so too will it Ascend Corporately, and on the same Date. And in this case, it will be the Bride of Christ that will be removed from off the Face of the Earth, as Promised by Jesus. With all this as background, now one can proceed to present the Rapture Zone Timeline Dissection of the Spring Months Calendar for 2022.

The year 2022 is Astronomically in-sync with the Rabbinical Calendar. Meaning that the New Year starts on the New Moon, April 1, 2022 after the Spring Equinox of March 20, 2022. This is Key. It will be correlated to the Feast Days and other Major Dates to include the Astronomical Eclipses that occur in April and May. The Year 2022 is based on the Sabbath Cycles since 1952. Why that Year? This was the 1st Sabbath of Years that occurred once Israel came back into the Promised Land. See Article for more details ([Here](https://www.postscripts.org/ps-news-549.html)). <https://www.postscripts.org/ps-news-549.html>.

Meaning of Numbers 55

The Timeline notes that the 74th Year Anniversary of Israel's Independence occurs on May 14, 2022. A Total Blood Moon Eclipse occurs 2 Days later on May 16, 2022 in Scorpio. Note that other proximate Eclipses have occurred in Scorpio within 2021-22. It signifies that the Enemy of YHVH's People, both Earthly and Spiritually has been 'readied for a 'Strike'. Then on June 2, 2022, as noted corresponds to Ascension Day. Astonishingly, June 2 is the 153rd Day of the Year and exactly the 'Fish' Count caught in the Disciple's Net that did not break, etc. And the 55th Year Anniversary of the 6-Day War occurs on June 6, 2022. On June 5, 2022, it is the 49th Day Count or Shavuot based on one's Calculus. This date also corresponds to the Rabbinical Count.

The Key Factor then is determining when Pentecost 'Fully Came' occurs, based on the 99-Day Count. So, in 2022, when is this 'Fully Come' Pentecost? As noted, this Timeline is based on the Double Count interpretation of Leviticus to be a total of 99 Days (49+50). That being the case, the Start Date is the 'Morrow' after the Sabbath, April 17, 2022. If this count is extrapolated-out, the concluding Date for Pentecost, 'When it was Fully Come', is **July 23, 2022 (723)**. It is also 33 Days from the Summer Solstice or approximately 125 Days (4 Months) from the Spring Equinox (3000 Hours).

It is also in approximate phi ratio from the Spring Equinox to the End of the Spring Feasts of YHVH to the (723) Pentecost 99th Day Count. Thus, one can only suggest this Date as a High Watch Time to consider. But that given the information one has, at least, it is what one sees and can only report. The following is a Number Study from BibleStudy.org. The reason why one is considering the Number, 55 is that it has a Prophetic Connotation in one's estimation to a 55th Year. It could also have a connection to the Rapture and a possible 'Inference' to come or is announcing, etc.

It is that the 55th Year Anniversary of the 6-Day War in 2022, June 5-7, 1967 occurs right after that '153rd Day' of the Year, June 2, 2022. Thus, the possible Prophetic Inference deals with that will befall Jerusalem and Israel in general in the Year or Years to come shortly thereafter. One does then consider this Numerical Value of 55 to be an Omen. How so? Consider the Negative Connotation associated with it and what will happen to Israel after the Rapture and 'End' of the Church Age'. The Number 55 amazingly speaks of the Character of the coming AntiChrist Israel will accept as their King and Messiah.

However, like the following attributes seen in Israel's past Kings, it will lead to a false sense of having the Kingdom arrive in Israel as it will become the Center of the New World Order. The Center Piece will be the rebuilt 3rd Temple that will serve as a Rallying Cry around the 'Tower of Babel' type of World Worship. Think 'Abrahamic Family Houses' that will be represented on the Temple Mount. And it will come with the Nimrod Character that eventually break the 'Covenant with the Many'. He initially starts the 7-Year 'Covenant' as a False Millennial Reign that mimics that which Jesus will establish at His 2nd Coming. The following describes King Manasseh, as an AntiChrist Figure that according to BibleStudy.org, is linked to the Number 55. Emphases added.

'One meaning of the Number 55 is linked to King Manasseh of Judah. He was the longest Reigning Monarch of either the Kingdom of Judah or Israel at 55 Years. He first Co-Ruled with his Father, the Righteous Hezekiah. He then became sole King from until his Death. Manasseh's Reign of 55 years marked one of the most Evil and Violent Periods in the History of YHVH's People.

The King indulged in various Forms of Evil, such as rebuilding the Pagan Altars torn down by his Father. This Rebuilding even included erecting Idolatrous Altars within the Confines of Jerusalem's Temple. He also willingly Burned 1 of his Sons alive as a Sacrifice to a Pagan Deity. Manasseh was so unique in his Bloodiness that the Bible states the following'.

'Manasseh also shed very much, Innocent Blood until he had filled Jerusalem from one end to another; besides his Sin with which he made Judah to Sin in doing the Evil in the Sight of YHVH.' -2 Kings 21:16

As one can read, this 55 Year association is a clear Metaphor of how the Evil Manasseh can be correlated to the AntiChrist Figure and what he will do to Israel, Jerusalem and the Temple. His Father, King Hezekiah was like the Christ Figure. What the AntiChrist will do instead is that at the midst of the 7-Year Tribulation Period, this Solomon Type of King the Jews will initially revere will put a halt to their Daily Sacrifices. And what is the Premiere Sacrifice that the Jews uphold and revere? Passover. Thus, one contends that the Cessation of the Daily Offerings will be the occasion of a Passover. And instead, the AntiChrist will install an Idol, much like with the Typology of the Golden Calf fashioned by Aaron at Mount Sinai, then with Jeroboam ruling the 10 Northern Tribes called Israel.

As one can easily correlate, such a Typology of the Wicked King will be what the coming AntiChrist likewise will end-up doing. Then, the Timeline also notes that the Middle Day for this Non-Leap Year is July 2, 2022, the 183rd Day. It is then another possible confirming 'Witness' in how then 7-7-7 or 21 Days later also corresponds to **July 23, 2022**. And again, inferring that (7/23) Numerical Valued seen twice in one's Dream. This is why when 'Pentecost Fully Came' is the overarching Premise of the Timeline and why Pentecost is the Prime Candidate for the Rapture Zone in 2022, in one's Interpretation. The following are the Key Dates highlighted on the Timeline that suggest July 23, 2022 as the possible Rapture Date. However, consider that Tolerance noted of a +/- 1 to 2 Day discrepancy. It is the best one can do for 2022.

2022 Gregorian Calendar but based on Astronomical Count

1. **March 20, 2022** = **Spring Equinox**
2. **April 1, 2022** = 1st New Moon after Spring Equinox in 2022 = 1st Month
3. **April 14, 2022** = **Passover** April 1, 2022 = 1st Month + 14th Day = (Full Moon)
4. **April 15, 2022** = **Unleavened Bread**
5. **April 16, 2022** = 'Marrow' after Weekly Sabbath of Sheeve Wave Offering
6. **April 17, 2022** = **First Fruits**
7. **June 5, 2022** = **Shavuot** Count 49 Sabbaths Morning after Sabbath Offering
8. **July 23/24, 2022** = **+ 50 Days per Alternative Interpretation of Leviticus 23:16.**
9. **July 23, 2022** = **(723) Dream? 'Pentecost' Fully Came? Excluded End Date.**

Note: June 6, 2022, 55th Anniversary or 6-Day War is 6/6/2022 or a **6-6-6** Coefficient.

It could very well be that **July 23, 2022** might be 'Significant' in some other Prophetic Way even, and not have the Rapture event occur at all. But the Evidence is compelling as it also corroborates with the Tribulation Timeline that has also been presented in a prior study. After the Rapture event, the AntiChrist False Messiah will be finally bestowing the Promised Kingdom to Israel, but as the False 'Solomon'. It will be a False Millennium for the 1st half of the 7-Year Tribulation Period as the AntiChrist conquers the World though 'Peace and Security'. Thus, in Summary, in 2022, the Calendars converge back to their proper point and how the Sabbath Cycles, after all, are all about a 'Reset'.

For 2022, as mentioned, Passover starts on the Eve of April 14, 2022, based solely off of the Spring Equinox Count. This is exciting because then the whole 2022 Year will be 'correct' in terms of calculating the Feasts from the Equinoxes that are in-sync with the Sabbath Cycles, (Fall 2021 to Fall 2022 = 7 Years). This Calibration pegged to the Equinoxes thus determine when the Feast Days of YHVH are correct, as it was in April 14, 32 AD and with the start of the last Blood Moon Tetrad of April 14, 2014. Why mention the Tetrad? It was, one believes the 7-Year Warning and Countdown to the Last Week of 7 Years. This 7-Year Countdown leads-up to Daniel's 70th Week of Years, to be precise, to possibly then start right after Fall 2022.

Thus, these Pre-Suppositions and Rationale have been the Calculus to suggest the Rapture Zone High Watch Date. The highest Watch Dates being **July 23-26, 2022 (723)** until, as that is when one believes, 'Pentecost will have Fully Come'. And as mentioned, the Pentecost Window of Time will be most significant for when the Rapture event would take place. The Timeline of what the Year 2022 will look like Prophetically is based off of the Astronomical Time Marker from the Spring Equinox Reference Point. And again, it is based on the Double Count and 'End' of the Sabbath Cycle Theories.

So, to reiterate, 2022 will have its Calendar synchronized to the Astronomical or True Calendar of YHVH. It is not based on solely the Mathematical Lunar Rabbinical One, that have Feast Days calibrated incorrectly at Times. Thus, based on ones Calculus and its Interpretation, the Year 2022 appears to be the 'Last Year' of the present Church Age with respect to the Day Count Variables, Biblical Inferences and Interpretations. With this understanding, a better determination of when the 'End of the Church Age and Rapture event could perhaps be better calculated and assessed, if at all.
