

Title: Trash Disposal

Purpose: This policy explains the proper way to dispose of trash

DUE TO BEAR ISSUES SURROUNDING OUR TRASH DUMPSTERS, ALL DUMPSTERS HAVE BEEN TEMPORARILY REMOVED UNTIL FURTHER NOTICE.

ALL TRASH IS TO BE TAKEN TO BEECH MOUNTAIN'S RECYLING CENTER WHICH IS LOCATED ACROSS FROM FRED'S GENERAL MERCANTILE.

I. Dumpsters, Trash Cans and Recycling Bins

1. There is a dumpster at the A Building at the end of the parking lot.
2. The Board recommends you take garbage to the Town's Recycling Center across from Fred's General Mercantile. This prevents any incidents with bears.
3. There are no dumpsters at the D, E, F, G and H Buildings dumpsters are located at the end of the cul-de-sac.
4. Recycling bins are available for aluminum cans, glass and papers at the town's recycling center.
5. Clubhouse and Laundry facilities have several trash cans.

II. Disposal of Trash

1. Bag kitchen waste to keep wild animals from scattering it outside the dumpsters.
2. Please recycle when possible.
3. Pick up trash in public areas as soon as you see it instead of leaving it for others.
