**Firing Range**

The location is only 12 miles straight line distance northeast of Marksville, LA but the highway from Marksville is not direct and is about 20 miles from Marksville to the property entrance. This highway is 452. The last 2.5 miles of the 20 mile drive on highway 452 is gravel. You should see the property entrance on the left after driving 2.5 miles on the gravel. After you make a left onto the property, the bunkhouse is located another 2 miles down a gravel road on the left.
