Twinsburg Historical
Society

Dear Sir or Madam:

This history is for THS family history files.

Since I have not visited THS you might look in your files to see if there is anything further on the early history of this Chambelin/Chamberlain family.

This is apparently not the family of W.I. Chamberlain of Hudson who became quite famous. Jim Caccamo cannot find the link.

I would love to know the site of the grave of Joanna and Wm Chamberlin- and Amos. They may be buried in the same place.

The World Chamberlain Society- a family genealogy group- will be meeting August 5 at the Park Place Hotel in Hudson. If interested descendants wish to visit I could meet them.

Thanks,

George C. and Jane E. Williston
