Defining Wellbeing

HOW DO YOU DEFINE WELLBEING?

Do you look at other people's versions of success?
Do you try to decipher through the noise and many mixed messages being shouted at you? Do you 'should' yourself to death trying to keep up?

Wake up "early." Exercise. Not like that, like this.
Eat right. Avoid toxins. Avoid chemicals. Relax.
Work hard. Get plenty of sleep.

It's confusing, to say the least.

Instead of fretting about what your results should be from everyone else's perspective, our clinically validated systems and products help you focus on defining your individual success.

This simplified guide cuts through the noise and confusion by letting you:

- ✓ Choose your path
- ✓ Choose your products
- ✓ Keep it simple

Ready to get started?

Let's go!

Reset to Reignite

WHY DO CLEANSE DAYS?

First, this isn't a fad "cleanse" someone posted on social. This is nutritionally supported intermittent fasting. It's like cleaning your workspace so you can focus on completing a big project. It resets your system and reignites it to work and perform more efficiently. And when you combine one or two Cleanse Days with one of our Weight Management Systems, the results are transformative.

CLEANSE FOR LIFE®

CLEANSE

Nature's Stress Response

While stress can be useful—getting that project done on time, protecting loved ones, exercising—it can also become debilitating. Luckily, nature has an answer.

The goal isn't to eliminate stress. Stress is inevitable.
The goal is to adapt to stress.

ADAPTOGEN ELIXIR™

Calm Your Chaos

- ✓ This unique blend of healing herbs and adaptogens helps your body and mind better handle daily stress while combating fatigue.[†]
- ✓ Sip your way to serenity with this time-tested yet modern botanical blend designed to support relaxation and better sleep.[†]
- ✓ Enjoy this perfectly portioned bottle of rose-flavored sparkling kombucha tea anytime, anywhere, to help naturally balance your body.[†]

Meet the Adaptogens

FIND YOUR BALANCE

Both products have these adaptogens in common:

Ashwagandha

The time-tested relaxation adaptogen used throughout the world for over 3,000 years.[†]

Eleuthero Root

Helps enhance focus and cognitive function, all thanks to this naturally occurring botanical.[†]

Goji Berry

Also known as wolfberry, aka the superfood filled with vitamins and minerals.

Rhodiola

Burn bright, not out. Rhodiola has properties associated with managing burnout and fatigue.

Schisandra

Also known as the endurance adaptogen, schisandra helps fight physical fatigue.[†]

Shilajit

Improve your focus and feel more energized at the same time. How great is that?
