Fire Instruction

840 East F Street, Suite B
Oakdale, CA 95361

Course Description: The goal of this interactive workshop is to establish a fundamental shift in the awareness of ethical values within fire service instructors by exploring examples of ethical behavior in the classroom environment. Participants will:

- ❖ Define basic concepts, terms, and theories of ethical decision-making processes
- ❖ Assess your own ethical style
- ❖ Analyze the role of the fire service instructor in maintaining the SFT value system
