### **Introducing: The EVH Holy Bible**

The EVH (Evangelical Heritage Version) of the Holy Bible has been released by the Wartburg Project, Inc. This version of God's Holy Word is faithfully translated from the original Greek and Hebrew, and proclaims the gospel of salvation through faith in Jesus Christ. The expressions, imagery, and style of the original texts are there, giving readers a lasting picture of God's grace and mercy for a lost human race. This translation is what we will now be using in the weekly Sunday Worship Service. For more information on this marvelous resource, please go to [www.wartburgproject.org](http://www.wartburgproject.org)

"Listen to advice and accept discipline, so that you will be wise in the future. There are many plans in a man's heart, but it is the Lord's purpose that will prevail."
