

# JOIN LEE PTA!!!

**LEE PTA** invites you to join us and become a participating member for the 2016-17-16 school year. PTA is the largest organization of its kind dedicated to advocacy on behalf of children and public schools. Becoming a PTA member does not require you to volunteer, attend meetings or join a committee, but we hope you will consider doing so! By joining PTA, you're simply saying, **"Yes, I support our children and public schools!"**

Lee parents, and all extended adult family members and friends are individually encouraged to join the PTA.

PTA has many opportunities for involvement. It is well organized that parental involvement is a key factor in student success.

PTA membership dues are just \$10.00 per person. Our Goal is 100% participation.
