

A submissive's Initiative BDSM Checklist

Use this checklist to either gauge your own interests or sit down and go over it with your partner and discuss each topic together.

For each activity, there are three answers.

The first answer should be, if you've ever tried that activity before

- **Yes** = I have participated in this activity before
- **No** = I have not participated in this activity before

The second answer should be your interest in engaging in that activity on a scale of 0 – 5.

- **0** = I have no interest/don't like this.
- **1** = Not very interesting/don't really enjoy this too much.
- **2** = This is alright.
- **3** = This is nice/fun/interesting
- **4** = I really enjoy/think I'll enjoy this activity
- **5** = I LOVE THIS/CAN'T WAIT TO TRY THIS

The third Answer would be to write any explanations or more information after your answers. Remember, the more information you have the safer/hotter/more fun things will be.
