#### Looking Ahead – Events in Planning

There are a series of other events either in College or elsewhere in planning. Please refer to the **website** for more details. It is anticipated that the gardens at Wychfield and the historic site will be open under the National Gardens Scheme in 2014 (Wychfield only in 2013).

#### Wanting to plan your own event?

A number of year groups are organising significant anniversary events. These anniversary events sit outside the College's official Reunion Dinner schedule and are Year Rep or alumni led. If you would like to celebrate 50 years or ten years since matriculation, or have an idea for a Trinity Hall regional event, do get in touch with us.
