Dorothy Bengrove – Angel Cards

Dorothy is a life coach and an intuitive writer. I enjoy meeting and connecting with people, sharing in their journeys and believing that we are all connected to Oneness - experiencing the gift of humanity together. My connection to Spirit, to Oneness, is a guiding light in my life, keeping me on course and steady.

One of her favorite ways of strengthening her connection to Oneness is through intuitive writing or angel writing; a technique which helps her quiet her mind and allow words to flow. She writes for herself, her family, her friends and her clients, and what comes through her is always comforting, hopeful and filled with Love. Her writing is a gift from the Divine and she is always eager to share it.

Myriam Bourdin – Spiritual Healer, Reiki Master, Water Healer

Myriam began her spiritual journey in the late 1990's. Over the years, she attended many classes, workshops, circles and participated in retreats and sweat lodges. Along the way, she became a Silva graduate, a Reiki Master Practitioner, a Water Healer Practitioner, a Certified Holographic Memory Practitioner, and more. She has integrated all of these methods and now channels the Energy with the assistance of the dolphins and Ascended Masters. A session with Myriam brings a sense of peace, deep relaxation and healing.

Dee Colby – Medium, Crystals

Spirits/Ghosts/Thought Forms, whatever called, have been part of Dee's life for as long as she can remember. She began really studying how these energies fit into her understanding of spirituality about 20 years ago, loosely at first and then more formally, beginning with meditation practice under the instruction of Rev. Marilee Baccich, Sufi/Interfaith Minister. Over the years she has studied numerous healing modalities and taken courses on Death and Dying, Old and New Testament Survey, Fundamentals of Spirituality, Laws of Mediumship, Channeling, Trance Healing, Metaphysical Ethics, and Metaphysical Ritual, to name a few. Dee is an ordained minister in the Spiritual Science Mother Church since 2018.

David Dellman – Tarot

David started reading for others and conducting workshops in 2004.

He holds an undergraduate degree in psychology, a Master of Divinity, and a master's degree in education. He has served in HR management for over 28 years.

In 2010, David traveled to Lily Dale, where he became convinced of the profound truths of Modern Spiritualism. That same year, David enrolled in the Morris Pratt Institute. He graduated in 2018, earning certificates in Mediumship and Healing.

David believes that the tarot is sacred and that the true gift of the tarot is not in their ability or inability to predict the future but in what the cards reveal about ourselves.

Socrates said that “To know thyself is the beginning of wisdom.”

The tarot greatly enhances knowledge of our mysterious souls.

Once we understand who we are, we are empowered to determine our future.

The tarot can be fun; it can also be intimate and personal. As a former HR professional, David understands discretion and confidentiality. David will help each person enjoy the experience, whatever their preconceived ideas.
