## **2022 Mechanics' Workshop**

**June 27th, 28th**  
**Casper, Wyoming**

Sharron D. Nichols Auditorium Casper College

WPTA hosting an array of topics this year

Various businesses have stepped forward to share multiple topics. These topics range from Aftertreatment issues to Wheelchair lift repairs.

### **Agenda:**

#### **Monday**

7:00-8:00	Registration
8:00-12:00	Cummins - Aftertreatment systems, QSOL/Insite refresher
12:00-1:00	Lunch
1:00-5:00	Stewart & Stevenson - Allison technician will discuss most popular codes, filter codes, collapsing filters, etc.

Course is designed to- • Help attendees increase their skills and knowledge around how to repair multiple items • Provide attendees with a strong familiarization of the many different issues you come across • Allow time for attendees to ask questions and obtain real-time answers/advice from experts

#### **Tuesday**

7:00-8:00	Registration
8:00-12:00	Mechanic Round Table
12:00-1:00	Lunch
1:00-2:00	Recap

#### **Mechanic Round Table**
