Project: Village of Interlaken Pumper Tanker Truck for Fire Department
Contract: Purchase of Fire Truck, with Materials Specifications and Required Installations
Purchaser: Village of Interlaken, PO Box 305, 8369 Main St., Interlaken, NY 14847

Sealed Bids for the purchase and delivery of a fire department pumper tanker truck meeting Village requirements and all vehicle design specifications, with all required functions and accessories (the "Project"), will be received by the Village Clerk at the Interlaken Village Hall, 8369 Main St. Interlaken, NY 14847 until **6:30 PM local time Thursday, June 8, 2023**, whereafter they will be publicly opened and read. The Project consists of submitting a bid meeting all stated and required specifications, and to thereafter design, assemble, fabricate, accessorize, and deliver a fully furnished and completed pumper truck for fire-fighting operations; which vehicle shall thereafter be subjected to operational testing per stated bid specifications. A bid bond is required as set forth in the specifications. Project and contract documents and detailed bid specifications may be inspected at the Village Hall during normal business hours. Electronic copies are also available by contacting the Village Clerk's Office. All Bids must be made on the official Bid Form, Minority and Woman-Owned Businesses are encouraged to bid, and the Village reserves the right to reject any and all bids, including for informality, as well as the right to cancel the bid or re-bid the Project.
