Beveled arrow shelf. Matching Maple tip overlays have been added. Overlays and tips are in great condition. Two filled screw holes on the side of the riser which from a distance look like a small figure in the grain (see pics on p. 3 and 5 or comparison). No chips, dings or cracks. No crazing or stress cracks; A few minor scratches and nicks here and there. Decals are in fair condition. Overall, this is a nice, light hunting bow in very good condition for its age.
