

## Traditional Fundraiser for schools, youth groups, etc.

"**IT'S A DISASTER! ...and what are YOU gonna do about it?**" helps families and businesses "be aware, be prepared, and have a plan" for most types of emergencies and disasters. The **266-page** paperback provides quick-reference instructional bullets in 2-color format. It is not written to alarm people, rather it suggests tips on what folks should think about and do before, during and after various types of scenarios, as well as how to administer basic first aid.

A majority of the data was compiled from many publications provided by the U.S. Department of Homeland Security and FEMA, the CDC, Public Safety Canada, the Public Health Agency of Canada and others.

### How to get started...

- Request a Fundraiser Kit from Fedhealth by sending an email to [info@fedhealth.net](mailto:info@fedhealth.net)
- Determine what price your school or group wants to sell books for (cost to purchase books is only **\$5.00** U.S. each delivered\*.) The 5th Edition list price on back is \$14.99 U.S. but fundraising groups can sell books for ANY price (e.g. \$15, \$10, etc. – whatever you decide) and keep everything over the \$5 cost\*. (Note: Groups can upgrade large volume orders to add up to 288 extra glossy pages in books – please call 520.907.2153 for details.)
- FREE customization -- either in print process (1,000 books or more) or with peel & stick labels using our standard red books (10 copies & up).
- Remind everyone that books are useful in homes, cars, kits and offices and they make great gifts!
- Complement this fundraiser with our easy **Referral program** and earn **15%** of orders just for sharing ideas, and earn ad revenues on bulk book and ebook projects that we can help manage and coordinate.
