

Wenatchee Central Lions Club

The Wenatchee Central Lions Club Flag Program sells subscriptions to individuals and businesses to erect the United States flag five times a year in designated areas in Wenatchee and East Wenatchee. The yearly subscription cost is \$50.

The five holidays are: Memorial Day, Flag Day, Fourth of July, Labor Day, and Veteran’s Day.

Each display address has a 14 inch PVC pipe (sleeve) placed at ground level to serve as a flag pole holder. The PVC has a yellow or red cap on top. The location of the sleeve is marked either with a painted dot on the curb or a stainless washer driven into the pavement near the sleeve. Flags will be placed prior to the holiday and picked up after the holiday. The flag is placed by Lions at the appropriate times. The flag was manufactured in the United States.

All revenue received from this project is used for charitable projects in the Wenatchee/East Wenatchee community and Lions International projects.

To enroll in the flag display project, please complete and return the information below with your check.
