COMPANY OVERVIEW

Founded in 2013, 24-7 Consulting (24-7) is a Certified Women Owned DBE, MBE and SBE Professional and Technical Consulting firm to include Community Outreach, CEI Inspection and Administrative Contract Support Services on all varieties of transportation, multi-modal and transit initiatives.

24-7's staff have served local government agencies, municipalities and transit authorities. 24-7 has successfully partnered with clients to proactively identify, mediate and overcome the most challenging issues and concerns on some of the highest profile projects in the state. Promoting dialogue and gaining public support is an important part of every project.

COMMITMENTS

The 24-7 team commits to adhering to rigorous QA / QC practices; working within all established budgets, schedules and deadlines; following established approval protocol; identifying the correct resources for each task; being available 24 / 7; and meeting as needed with the District Project Manager's for performance reviews. 24-7 will meet changing priorities, varying work schedules and deadlines. The extensive resources and financial stability of our team members allow us to respond quickly to our partner's needs and undertake special projects and assignments - large and small.
