Enrollment Fee: (paid yearly, non-refundable) covers Graduation Parties and administrative costs of the program.

Tuition: Due the beginning of the month. Students receive 44 lessons per calendar year (see Yearly Calendar). First month: Full Fees, Second Month will be pro-rated based on enrollment date. 10% discount offered when one-year (12 months) tuition paid in advance. \$15.00 late fee charged for tuition paid after the 15th of the month.

Absences: The tuition you pay reserves a place for you in a weekly class. Therefore there is no reduction in tuition for missed lessons. It is necessary to call at least 24 hours in advance if a student will be absent. Upon your request, the teacher will then:

- 1) Call, email, fax, or write concerning the assignment, or
- 2) Arrange for a student to sit in on another class at a similar level.

It is important to bring the required material with you, and to be on time for class because late arrivals disrupt the class and will not have the advantage of a full session. Advance written notice required to pro-rate for one vacation month per year. Students are only charged for lessons attended vacation month. *Vacation breaks marked on the F.A.M.E. YMC Yearly Calendar cannot be pro-rated.*

Withdrawal: 2 weeks written notice required (by F.A.M.E. & Yamaha) to withdraw from the program. Final tuition payment will include two-week drop notice.

Class Time: Each group class will have 50 minutes of instruction followed by 10 minutes for questions or special assistance. Semi private lessons are 45 minutes and private lessons are 30 minutes.

Recitals: One class for each student will be replaced each semester with a Curriculum Graduation Party.
