

GLENBROOK NORTH PARENTS' ASSOCIATION

Summer 2019

Parents and Guardians of GBN Students:

Are you interested in:

- Learning more about Glenbrook North through monthly discussions with the GBN Principal and school administrators, including the GBN College Counselor and our new Superintendent?
- Receiving, via mail to your home, the award-winning GBN student newspaper, *Torch*, to see lots of school-day photos and learn about GBN student activities, issues and perspectives?
- Recognizing and rewarding the outstanding individuals who teach your child via the Distinguished Teacher Award; honoring the "unsung student heroes" at GBN via the Spartan Spirit Award; and paying tribute to the "courageous kindness" demonstrated by students through the Dr. Paul Pyрма Award?
- Supporting your child's education with an annual gift to the school? For example, in the past two years, the Parents' Association has brought in a world-renowned speaker for International Education Night and purchased necessary items for the school including new chairs for the Spartan Conference Room and sun-blocking window treatments for the cafeteria.
- Showing your appreciation for your student and the GBN teachers and staff by supplying meals, notes, and treats at events throughout the school year?

If you answered "yes" to any of these questions you should join the GBN Parents' Association!

ALL GBN families are encouraged to join the Parents' Association. The PA is similar to the PTOs and PTAs you're familiar with from your child's elementary and middle schools. Our mission is to support the GBN community. When you join, you determine your level of involvement--you choose whether or not to attend monthly meetings and/or volunteer for one of our committees. Meetings take place at GBN generally on the third Wednesday of each month at 7:00 P.M. **The GBN Principal, Dr. John Finan, speaks at each of our meetings.** It's a great opportunity for our members to get to know Dr. Finan in this personal setting.

Please consider supporting GBN by joining the Parents' Association! Simply pay your annual membership dues of \$25 online through the GBN registration process or complete and mail the attached 2019-2020 Membership Form.

Thank you and welcome to all our GBN families, and a special welcome to the Class of 2023! **Go Spartans!**
