CORE COMPETENCIES

At Footprints Freight Logistics, LLC, our core competencies lie in simplifying and optimizing global logistics for our clients. We specialize in providing tailored solutions that address the unique needs of each customer, ensuring a seamless and cost-effective experience.

Our commitment to innovation and reliability sets us apart, guaranteeing that all aspects of your freight-related requirements are met with precision. With a team of seasoned logistics professionals, we take pride in offering a diverse range of services, from middleman services to comprehensive business structuring. Our core strength lies in our dedication to delivering the highest quality of service, ensuring our clients receive optimal solutions for their logistical challenges.

PAST PERFORMANCES

Footprints Freight Logistics, LLC has excelled at managing a wide range of logistical difficulties with efficiency and skill. For example, we successfully arranged for the transportation with Mr. Rick of Kucera Painting INC. for his company 2008 International box truck from Atlanta, Georgia to Hastings, Nebraska, using flat beds at the best available prices. Our commitment to timeliness and the use of qualified carriers ensured a seamless and dependable delivery experience.

In addition, we worked with Mr. Washington of Supreme Cargo LLC to help find skilled owner operators with dry vans, hotshots, and box trucks. Beyond logistics, we were instrumental in Supreme Cargo LLC's shift to an S-Corp corporation, guaranteeing federal and state compliance by painstakingly collecting all business receipts and invoices.

Our team supported Smart Way Enterprise LLC in locating three trailer carriers to complete a six-month contract in Enumclaw, Washington. This contract entailed the delivery of live fish to the Mud Mountain Dam Fish Passage Facility, demonstrating our ability to handle difficult logistics and meet specific contract criteria.

Which in these 20 years of Logistics / Supply government contracting, I have worked with L3 Harris Aerospace Company, managing the creation of over 1464 Return Merchandise Authorization (RMA) return orders for equipment repairs, handled Purchase Requisitions exceeding \$1.7 million, and ordered Original Equipment Manufacturer (OEM) parts totaling \$550,000 in 2023 alone. My role underscored a commitment to the company's efficient logistical and procurement operations.

Consistently utilizing Vectrus Freight Transportation for shipping equipment. In 2023, the invoiced amount for shipping services through Vectrus totaled over \$246,000.

Worked with Thales Group IT Company for over 3 years, created over 380 Return Merchandise Authorization (RMA) return orders to return equipment to Original Equipment Manufacturer (OEM) for repairs. Purchase Requisition's for over \$600K. Ordered OEM parts for Thales Group equipment for over \$285K in 2023.

"With you every step of the way."

DIFFERENTIATORS

At our company, we're your committed partner, actively contributing to your business success by guiding you through structural complexities, compliance, and critical areas like LLCs and S-Corps. Our dedicated team ensures comprehensive support, going beyond assistance to actively contribute to the foundational success of the companies we serve.
