### **Biography**

Louis McNulty, 87, of Snover passed away unexpectedly Saturday, November 25, 2023 at his home. Louis was born on January 21, 1936 in Detroit to the late

Francis "Pat" and Kitty (Hoffman) McNulty. He worked as a mechanical engineer in the automotive industry. All his life, Lou loved the outdoors. His greatest passions were bass fishing and deer hunting. In the hunting community, Lou was known for his skills in archery and fine tuning bows. He was the epitome of "The Fix It Man" and many sought his services and often he donated his service. Louis was and active member of AA, sober for 45 years. AA saved his life and Lou spent much of his time paying it forward by sponsoring new people to the program and hosting many meetings. He was always dressed to the tee and loved to find moments to dance with his wife, Joan like he was Fred Astaire.
