

Lake Louise Snowmachine Club

Board Meeting 04/10/10

The meeting was brought to order at 2:20 pm at the Lake Louise State Camp Ground.

All board members were present except new member John Delaquito.

First order of business was to elect officers. After a discussion and vote, it was decided, the officers for the next year will be as follows:

President - Corky Matthews

Vice President – Bill Fair

Secretary – Harry Holt

Treasurer – Ron Ringel

New Business

Corky asked for discussion on when we should hold future board meetings. It was the general coconscious of the board we need to meet more often than in the past. The board than set a schedule to meet around July 4th, Labor Day, 1st week in October, and once a month during the winter.

Grants

With the repairs and parts needed for Big Foot this year. Corky suggested we apply for some grant money from SnoTrac. He also suggested we hire the services of Pat Owens again to write the grant proposal. The board was in agreement, so we will go ahead and pursue the grant for parts and repairs.

Corky will also be applying for a grooming grant that is due July 1st.

Memberships

Bill Fair brought up the suggestion to honor Ron Jones and what he did for our club; we should give his wife Alicia a lifetime family membership. He also requested we give Chris Ragula, a two year club membership and a club T-shirt or hat. Chris has been instrumental in setting up our new website and the LLNP's weather station that links to our site.

All of the members were in agreement. Harry said he would send out appropriate letters to each one.

A motion was made to adjourn and the meeting was adjourned.

Respectfully submitted,

Harry Holt, Secretary
