

CYDONIAN LINES OF ST. PETERSBURG

The purpose of this study is to present the evidence that the city layout of Teheran, Iran is set to the *Cydonia, Mars* ley-lines. Pertaining to the *Cydonia, Mars* anomalies, there are 3 main pyramid structures that comprise the *Martian Motif*. There is the famous *Face of Mars*, the giant *Pentagon Fortress* and the *Pleiadian Pyramid City*. These 3 structures triangulate each other and would make up the core of a large metropolitan city on Earth. What is astonishing is that such a *Martian Motif* is seen implemented in the architecture of almost all the ancient civilizations on Earth. This started, at least based on the archeological record after the *Flood of Noah* with *Babylon* and *Sumer*. How the *Martian Motif* is tied to the ley-lines of ancient cities, temples and structures is that perhaps the lost knowledge and connection of the *Martian* civilization was conveyed to the few and selected 'priestly' class on Earth that constitutes the *Secret Societies*, etc. This special class of humans are perhaps tasked at keeping the legacy and lifeline operational as even now in the modern era, the same *Cydonia, Mars* motif is incorporated into the major capitals of the world of which Teheran, Iran is another one of them. The *Martian Motif* that is basically encrypted and hidden in plain sight speak to the powers behind the curtain of those that really are the masters of the world.
