## North Carolina Alcoholic Beverage Control Commission

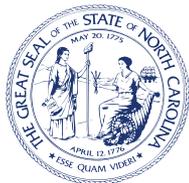

New interactive map showing the revenue that the ABC system generates for the state and local communities.

Users can interact with city and county boards individually to see the positive impact the ABC system has on each location.

In the 2021 fiscal year, a record-setting **\$617 million** was reinvested back to our communities.

The 171 local NC ABC boards operate with no state funds and are appointed by local governing authorities.

COMMISSION  
NORTH CAROLINA

## Permit Renewal

All Mixed Beverage, Brownbagging and Special Occasion permits expire on April 30th of each year. Notices are mailed to permittees during the month of February. The permittee is responsible for renewing the permit, and failure to receive a notice is not justification for being allowed to retain the permit beyond April 30th.

Permits not renewed by April 30th will be cancelled. After April 30th, should new permits be desired, a new application must be submitted and the full fee paid, (\$1,000 for Mixed Beverage, \$400 for Brownbagging and Special Occasion). Application and renewal fees are not pro-rated.

## Permit Registration

All on-and-off premise malt beverage, beer and wine tasting, fortified wine, and unfortified wine and wine shop permittees must pay an annual registration/inspection fee by April 30th. Notices are mailed to permittees during the month of February.

### Underage drinking can "wire" the brain for alcoholism

Chances of becoming an alcoholic

## 14

Average age children in North Carolina take their first drink <sup>1</sup>

## 8 in 10

NC middle schoolers say if parents spoke more often to their children about underage drinking, it would help stop the problem. <sup>2</sup>

## 94%

Percentage of North Carolina students who say underage drinking is a problem. <sup>3</sup>

#### The impacts of underage drinking are enormous.

##### ✗ UNDERAGE DRINKING CAN KILL.

- More teens die as a result of alcohol use than all other illicit drugs combined. <sup>4</sup>
- More than one-third of teen traffic deaths are alcohol-related. Even nondrinking teens are at risk if they get into a car with an alcohol-impaired driver. <sup>5</sup>
- In 2012, underage drinking led to 31 murders. <sup>6</sup>
- In North Carolina, one person dies every week as a result of underage drinking. <sup>4</sup>

##### + IT CAN LEAD TO OTHER DANGEROUS BEHAVIORS.

##### + IT'S LINKED TO SERIOUS MENTAL HEALTH PROBLEMS.

##### + UNDERAGE DRINKING OFTEN MEANS BINGE DRINKING.

##### + IT'S A SERIOUS LEGAL ISSUE FOR PARENTS AND CHILDREN.

## TOGETHER, WE ARE THE SOLUTION.
