SHANA GIBSON & UNO MAS GOODBYE

I have been a fan of Lanes Leinster horses for a long time, which is the sire of The Goodbye Lane. I won the Wilderness Circuit a couple of times on a Lanes Leinster named Hes A Lane Changer (aka Lane), who happens to be out of the same Dam as Uno Mas Goodbye (aka Uno). I have had a few other Lanes Leinster horses that have done well. Our good friends, Mark and Linda Jarvis ended up purchasing The Goodbye Lane, so my husband and I had the silly idea of starting to breed some horses on our own. I decided to try and find Lanes Dam, Request A Scout. We found her and bred her to The Good Bye Lane and were lucky to get this one last foal out of her, Uno Mas Goodbye. Uno has been a very nice colt from the day he was born. He can be a pain in the butt. He paws when tied up to the horse trailer and chews everything from his lead rope to the trailer itself.

UTAH FUTURITY...

This was Uno's second futurity this year, so I was just wanting to make two good solid runs and try to make it in the top 10 average. His first run was good and solid and ended up fourth in the 1st go round. His second run was fast, even with rider error. Uno turned his first hard and almost turned out from underneath me. His second go round time held, we won the second go round and won the average. He is just starting to figure out the run part, looking forward to many years ahead. Uno has made about \$4,400.00 in his first two futurities.

Favorite Bit? I like to keep them in a snaffle bit as long as the horses tell me I can. Then I like to switch to a short shank Ed Wright bit.

Favorite Saddle? Caldwell

Favorite Pad? 1" wool

Feed / Hay / Supplements? I feed alfalfa hay and then try to keep grass in front of them to keep a little food in their belly at all times. I use 707 Daily Supplement in my grain and Assure Guard Gold.

Are there any therapies you like to use just prior to your performance? Keep him happy and quiet.

How do you keep your horse fresh and prepared to win prior to an event? I don't do anything different, I just try to ride and remind him of certain things.

Conditioning program? I to try ride every day with a good cool down after I ride and the days I don't ride they get put on the hot walker.

I would like to thank everyone who helped put on this futurity. The UBRA has always done a fantastic job. I would also like to thank all the sponsors! Without the sponsors, these events would not be what they are today. An extra shout out to Rocky Mountain Power...thank you very much for being the saddle sponsor.

Thank you...

A special thanks to the whole Jarvis family, for all their love and support. We have waited a long five years to get to this point. They treat us like we are part of their family. Glad Uno was able to make The Goodbye Lane proud.
