THE BRAND

Founded in Largo, Florida, Dubois Art, LLC is a transitional wall décor brand rich in art heritage and vision. The company sees transitional and relaxing art as the landscape for today's gracious living. Offered in an array of soothing sea-glass colors, these quality giclee prints on canvas provide timeless works of art. Awarded and curated artist, Lori Dubois, specializes in refined abstracts and expressive seascapes which call to mind contemplative environments, serene places and tranquility itself.

Dubois' mastery and skillful representation recreates the sea and sand as impressions of feelings rather than as a literal perspective of the seaside. Nature's panorama serves as her constant muse. Her detailed command of color and form blend the serenity of nature with ultra-chic flair to create glorious results in her highly regarded modern wall art. Her signature style accentuates world-class home décor with relaxation and living well.
