- Post-dated Cheques

- **NEW** - Pre-Authorized Debits (PADs)²

² Set up as auto-payments and scheduled for withdrawal by Glenbrook Preschool Society through 'Stripe' on the 1st of every month during our school year. Paying tuition fees with a Credit Card or through PADs is subject to a standard service fee, which will be applied to each monthly tuition payment. As of June 30, 2025, the standard service fee will increase by 0.2%. This change is out of Glenbrook Preschool's control, and all credit card and pre-authorized debits will be subject to the current Stripe service fees for the school year. Additionally, Stripe reserves the right to modify their fees at any time. Should this occur, we will promptly inform you of any changes.

NOTE: Glenbrook Preschool participates in the Alberta Government Affordability Grant Funding Program to assist families with lower tuition fees. With the Affordability Grant (AG), effective April 1, 2025, the Government of Alberta (GoA) will fund \$100 monthly towards tuition fees for every child registered in a licensed preschool. This AG fund made by the GoA has been reduced and is reflected in the fees above. Should our agreement be annulled or the GoA make any changes at any time to the AG funding, the parent fees portion of the payment amount will change, and tuition and preschool fees may need to be adjusted accordingly.

By continuing to register your child into Glenbrook Preschool Society's Preschool Program, you acknowledge and accept the details outlined and the note mentioned in our 2025/2026 Tuition Fee Schedule above. For more information regarding admission, fees and payment, please refer to our Policies and Procedures and the GPS Parent Handbook, which can be found at www.glenbrookpreschool.org.
