CHAIRMAN – Dr. Richard Rutkowski

The Primary Election is behind us and it's time to focus on the November General Election. Whether your favorite candidate received the nomination or not, our challenge and mission is to beat the DEMs in November. We must show everyone that Arizona is not a blue state and not a purple state, but a RED STATE! Let's get to work and do all we can to accomplish that goal.

Our August 11 meeting will feature several candidates for School District Governing Board. See details below.

If you haven't replied to last week's request for E-mail permission, please do this ASAP. Forms will be available at the August 11 meeting and are available on the Documents page of [www.ld3gop.org](http://www.ld3gop.org). State statute requires us to have your permission to notify you by email (rather than regular mail) for the District Organizational Meeting which will be held this fall. So, please submit a scanned copy of your completed form to [ld3gop@protonmail.com](mailto:ld3gop@protonmail.com) or get it done on August 11. Thanks for your cooperation!

Welcome to our newly elected and re-elected PCs. The next 2-year term officially starts on October 1.

I can be contacted at "[ld3gop@protonmail.com](mailto:ld3gop@protonmail.com)." I check that account every day. Thanks for all that you do!

FIRST VICE CHAIRMAN - Nancy Ordowski

Our Primary Election is behind us and I am sure 50% of us are happy and 50% of us are discouraged with the results. We must put the negative issues behind us and work hard to get our Republican candidates elected in the General

Election. No matter what we think they are all better than any of the Democrat choices.

I want to THANK each of YOU for stepping up to be a Poll Worker, Poll Observer, Electioneer and volunteer for your candidates. Many of you put in long days, traveled distances from your home base and gave many hours to Save America. We can't give up now, we will need all of you to help in the General Election. Please save time between October 10 and November 11 to be available to help.

LD3 supplied more volunteer hours than many other parts of the County. I am proud of each of you and the awesome job you did.

## SECOND VICE CHAIRMAN - Catherine Tunget

Thank you for making our AZ CD1 and BOS, District 2 forum such a huge success!! Also thank you to all of the candidates for their participation. I appreciate each one of you and am grateful to be working shoulder to shoulder to effect change through our efforts as PCs. We are blessed with so many great people who want to see our country return to its foundational roots!

This month, we are happy to be hosting our school board candidates at our upcoming meeting! LD3 is comprised of 5 different school districts: Cave Creek, Deer Valley, Fountain Hills, Paradise Valley and Scottsdale. All 5 of these school board races will be on the November ballot. **Please note**-all Republican candidates have been invited but some have declined or not responded to the invitation.

The format will be as follows: All candidates will have the chance to speak. Questions from the PCs in the audience will follow. Each district will receive approximately 3 questions, depending on time constraints. There will be a 1-minute time limit on answers. If the question is not directed to any one specific candidate within the district, candidates can decide who will answer.

**PLEASE come prepared with your questions for your respective school board candidates/districts. Reminder to get to your question quickly and please avoid editorializing as we have such tight time constraints. Thank you for your understanding.**

The candidates' upcoming race is one of the most crucial in taking back control of our schools. The health and well-being of our children in the public school system is in dire straits. I appreciate each one of our candidates stepping up and putting yourself in the line of fire. You are in my prayers and thank you for fighting for our children.

Thank you for allowing me to be of service and please free to reach out any time with comment, questions or concerns. [catherinetunget@gmail.com](mailto:catherinetunget@gmail.com) Phone 602-616-4781 Together we are a force to be reckoned with. We will make our voices heard in our upcoming elections, by electing Arizona First Candidates!
