Non-Regular Classes Involving Multiple Dog Entries

Neutered dogs and Spayed bitches may compete.

Stud Dog Class Will be for Stud Dogs and two of their get. Stud dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. Owner of Stud Dog need not necessarily be owner of the Get. Get only to be judged, based on the merits of the Get. Although the merits of the Stud Dog are not to be considered in the placement of the entry, the stud dog must be examined to determine if it has any condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for the breed. Get must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

Brood Bitch Class Will be for Brood Bitches and two of their Produce. Brood Bitches must be entered in the Brood Bitch Class and must be shown in the ring with their Produce. Owner of Brood Bitch need not necessarily be owner of the Produce. Produce only to be judged, based on the merits of the Produce. Although the merits of the Brood Bitch are not to be considered in the placement of the entry, the brood bitch must be examined to determine if it has any condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for the breed. Produce must be entered in a Regular Class, Best of Breed Competition, or some other Non-Regular Class.

Brace Class - Entry fee is \$38.00 per Brace. The two dogs with identical ownership comprising a brace must be named at the time of the entry, only a single entry fee for the brace class is required. If a dog, which is to be part of a brace, is not entered in a single class entry, it must be entered for "Brace Class Only" for a fee of \$38.00. In making entries for "Brace Class Only" full particulars must be given for each dog on individual regular entry forms. An entry form for each dog entered in another class and entered as part of a brace must be marked accordingly in the space provided for Additional Classes as "Brace Class". If more than one brace is entered by the same owner, the dogs comprising EACH brace must be designated, Brace No. 1, Brace No. 2, etc.

Non-Regular Classes Involving Multiple Dog Entries, cont'd

Pack Class (National Specialty Only) Entry fee is \$38.00 per Pack. The pack consists of an entry of at least 6 dogs that are all bred, co-bred, owned or co-owned by the exhibitor. The entry is made in the name of the kennel represented by the dogs as well as the exhibitor's name(s). The dogs are brought into the ring by up to 2 handlers, one of which must be the named exhibitor. The dogs will be judged on a point system with 120 being the maximum. Half the points (60) are allotted for how well the pack corresponds to breed type, and the other half (60) are allotted on size (30) and color (30) of the whole. The dogs are judged as a pack rather than as individuals; they are judged on type, size and color as a whole, they are not gaited. All dogs judged in the pack class must be entered in the regular classes. The judges shall choose one winner. An entry form for a dog entered in another class and entered as part of a pack must be marked accordingly in the space provided for Additional Classes. "Pack Class". If more than one pack is entered by the same owner, the dogs comprising each pack must be designated "Pack No. 1, Pack No. 2", etc.

Three Generation Pedigree Class (National Specialty Only) Entry fee is \$38.00 per unit. Each entry will consist of 3 specified PBGVs, dogs and/or bitches from 3 different generations, e.g. sire daughter grandson, in any combination as long as they are direct descendants. The 3 generations need not be consecutive. All 3 dogs must be bred, co bred, owned or co owned by the exhibitor. All three will be listed in the catalog. The entry is judged as a unit, with no one outstanding individual outweighing the quality of the others. All are judged on how well they represent the ideal of the breed standard, quality and consistency. The quality of each generation should meet or exceed that of the previous generation. The judge shall choose one winner.

All dogs entered in the Three-Generation Pedigree Class except the grandsire and/or granddam **must be entered** in another Regular or Non-Regular class at the show. If the grandsire and/or granddam are representing another Generations Class either as a Sire or Dam, then the grandsire and/or granddam **MUST BE ENTERED** in another Regular or Non-Regular class at this show.

3 Point Major Reserve

Reserve Winners Dog and Reserve Winners Bitch will be awarded a three-point major, provided that the number of dogs competing in the regular classes of the Reserve Winners sex total at least twice the number required for a five-point major in the region in which the event is held.

Judge's Award of Merit

At the conclusion of Best of Breed judging, after picking Best of Breed, Best of Winners, Best of Opposite Sex to Best of Breed, and Select Dog & Select Bitch, the judge at his discretion may choose up to 10% of the Best of Breed entry for an Award of Merit. Best of Breed, Best of Winners, Best of Opposite Sex, Select Dog and Select Bitch may not be considered by virtue of their already higher placement. The AOM percentage will be rounded up.

Grand Champion Points

At the judge's discretion, Grand Championship points may be awarded to Best of Breed, Best of Opposite Sex to Best of Breed, Select Dog, Select Bitch.

National Specialty Club Trophies

For wins at the annual PBGVCA National Specialty; members in good standing only; with three wins (not necessarily with the same dog) trophies may be retired or replaced per club rules. Trophies are presented at the Annual Award Banquet following the Specialty show. Once a trophy is retired, re-offered legs on the award begin anew.

The current mementos are 4" Custom Die Cast Antique Gold/Brass Medals. A complete listing of the National Specialty Club trophies and sponsors will be published in the catalog.

Please note: Only PBGVCA members in good standing at the time of the specialty are eligible to be awarded Club Trophies.

NOTE: As the judge's decision in the Stud Dog, Brood Bitch, Brace, Team, Pack or Three Generations Pedigree Classes is based on the merits of more than one dog or bitch, no one of the dogs or bitches making up the entry judged First in the class will be eligible to compete for Best of Breed by virtue of having won this class.

NOTE: Accordion gating or similar perimeter fencing will be used.

NOTE: The Annual Show Chairman, Judges' Hospitality Chairman, and Judges' Transportation Chairman may not handle in Conformation at the Specialty Shows, although dogs owned or co-owned by them may be exhibited in Conformation by others. The Assistant Show Chairman may handle only dogs they own or co-own at the Annual Regional and National Specialties. TRIATHLETE AND BEGINNER TRIATHLETE COMPETITION March 18 to 22, 2025

In an effort to show the natural abilities and versatility of our little hounds, PBGVCA will hold its 10th annual Triathlon competition during the 2025 Kerrville TX Regional and National specialties. The Triathlon was started to encourage PBGV owners to try training their PBGVs and to participate in companion and performance events. It has been a huge success. Owners and their PBGVs are having fun training and finding camaraderie with fellow competitors.

There will be two levels of Triathlon Awards available, the **Triathlete Award** and **Beginner Triathlete Award**. For the Triathlete Award your PBGV needs to qualify in three different (agility, obedience, rally, scent work) companion/performance disciplines. For the Beginner Triathlete Award your PBGV must enter three different disciplines and qualify in two of them. With the exception that one of those qualifying disciplines for the Beginner Triathlete can be exchanged for one of the following (only one) CGC, CGCA, CGCU, Fast CAT, any of the Trick Dog titles offered. Qualifying scores and titles must be earned during the 2025 Regional and National events. Each PBGV achieving the Beginner Triathlete or Triathlete Award will receive a prize for earning that award.

DISCIPLINES AND CLASSES THAT COUNT TOWARD THE TRIATHLON

Agility – Any qualifying score in the Regional/National Agility trials will count towards a Triathlete Award. Regular or Preferred height.

Obedience – Any qualifying score in the Regional/National Obedience trials will count towards a Triathlete Award. With the following exceptions: Beginner Novice only counts toward the Beginner Triathlete. Veteran's obedience class for dogs age 7 or older must score a 170 or higher to count towards the regular Triathlete Award.

Rally – Any qualifying score in the Regional/National Rally trials will count towards the Triathlete Award.

Scent Work – Any qualifying score in the Regional/National Scent Work trials will count towards a Triathlete Award.

CGC, CGCA, CGCU, Trick Dog, Fast CAT – Any CGC title, Trick Dog title or Fast CAT qualifying run can count as one of your three qualifying disciplines towards the Beginner Triathlete Award.

TRIATHLON RULES

Regular Triathlon PBGVs must enter at least 3 different disciplines and qualify in 3. For the Beginner Triathlon PBGVs they must enter at least three different disciplines and qualify or receive a title in two. **Beginner Triathletes can substitute one of their disciplines with an entry in any CGC, trick dog, or Fast CAT event.**

If your PBGV only qualifies in two different disciplines no matter what disciplines you're qualifying scores came from your award will be Beginner Triathlete.

Only qualifying scores from the 2025 PBGVCA Regional and National will count towards the Triathlon Awards.

Your PBGV can only compete in a class they are eligible for under AKC rules.

Spayed, neutered, and PAL registered PBGVs are eligible to compete in the Triathlon.

No additional cost to compete in the Triathlon. You and your dog's name will be printed in the national catalog as being entered in the Triathlon.

You must declare you are competing for a Triathlete award and list the classes you will be competing in by February 26, 2025 on the Triathlon entry form. The Triathlon form will also be in the premium list and online at www.pbgv.org Click the Triathlon link on the left-hand side of the 2025 PBGVCA National event information.
