

Each one of us represents Glastonbury Youth & Family Services. Therefore, the staff reserves the right to remove anyone from the production, or their role, who is not participating in an acceptable manner. Illegal, illicit use of drugs or alcohol, tardiness, rudeness to staff and fellow cast members, and lack of effort are some of the reasons for immediate dismissal.

New Attendance Policy:

An unexcused absence is defined as: unexplained missed rehearsal and no warning of missing rehearsal. Messages from fellow cast members will NOT be counted as excused. They must be reported to the director ahead of rehearsal. Cast members may have 1 unexcused absence. Should a second unexcused absence occur the cast member will be asked to drop from the production. The staff will verify excused absences. If excused absences exceed 4 the cast member will be asked to review his/her dedication to the production and may require dismissal.

Please arrive 5 minutes early for rehearsals and if you arrive late, do not enter rehearsal loudly. Please do not interrupt the directors' rehearsal in any way, unless it is an emergency. Simply enter the rehearsal, take out your music/script and join in the activity. Cast members are asked to not leave rehearsals early, unless previously discussed. **NO DRUGS, ALCOHOL, VAPING or TOBACCO** is permitted at rehearsals, performances, or cast parties. Your health and your well being are important to us. Violators of this rule will be asked to leave the production and, when appropriate, your parents will be notified and you will be referred for counseling at the agency.

No one may alter their physical appearance from the time of auditions to opening night without consulting the Artistic Staff first (i.e. piercing, hair cut & color, tattoos etc.)

I, _____, understand the commitment that is required of me for Hello, Dolly 2025.
