

THE COVENANT CALL.... FOR JGM

COVENANT PARTNERS 2016-2017

Dear “New” and “Through the Years” Partners,

After 21 years of faithful ministry, JGM has proven faithful to its mandate and especially to future generations. **I have been part of JGM all my life it seems, and can't imagine JGM not being there! Can you?** This past Watchdog 7 Conference was packed with God's anointing, prayer power, revelation and healing. We must not decrease in our momentum. Your faithful giving no matter how large or small, keeps our doors open to the heavens. We expect that all our JGM Team are Covenant Partners for sure!

We have new Covenant Partners this year and we thank God for you. Your monies help us with daily operational expenses, conference pre- planning and publications. JGM continues to sow seed into others which has caused our doors to remain

open. We thank God for His miraculous provision through you and unexpected doors!

Please remember JGM in your monthly or quarterly budget.

Your faithfulness buys stamps, a case of paper, ink, pays a bill or two, and keeps us current with bills and office needs.

JGM will be returning to Malawi, Africa in August of 2017. It will be a big year for JGM's international mandate.

Thank God for our Founder Bishop Dr. Jackie Green that never gives up on us or JGM! Let's pray for her strength to continue.

So, just go on line at www.jgmenternational.org and you can pay your covenant through Pay Pal. Or mail your covenant in to: JGM Enternational, 420 East Stuart Ave, Redlands, CA 92374.

Don't forget our new venture "Rapha Deliverance University of Practical Ministry." This is our new baby, and it will take faithfulness to see it through with Covenant partners like you.
