Officers present: Leslie Barber Hooper President, Patricia Laraway White Secretary, Nancy Armlin Wolfe Treasurer and Historian
Alumni: Cheri Clapper

President called meeting to order at 10:30AM followed by the salute to the flag. Nancy made the motion our Scholarship Award Winner of \$500 should be given this year in memory of Larry Strack, a bus driver and Doris Wood, a seventh grade teacher. Leslie seconded the motion with all approving.

Treasurer stated the 2016 Scholarship winner has been paid. Historian tells us there is always filing to be done.

The purchased bricks are all on the wall in gym lobby. At ball games and other activities we should have order forms in the lobby enabling public to purchase if they wish. The last of graduation pictures are being printed. Four or five classes are entirely missing. Our association needs to have a mail box at MCS with Nancy Wolfe's name in BOLD letters on it. Staff would know whom to contact for our mail.

June 23rd is graduation night-we hand out programs. Village of Middleburgh Arts and Crafts Festival is July 22 on school lawn. Both family and class reunions are planned for that weekend, therefore, additional volunteers are needed for the booth we have. July 23rd we host a Social Hour following ecumenical church services on the front lawn of MCS. Alumni would provide the beverage. Need to add to web site. In addition, the social hour needs to be advertised. October 7th is Fall Festival.

Pat made the motion to adjourn with Nancy seconding. Motion approved. Our next meeting is August 17, 2017. Annual meeting is November 16, 2017.

Respectfully submitted,
Patricia L White, Secretary
