

THE DEPOSITS OF THE 2 SPIRITS

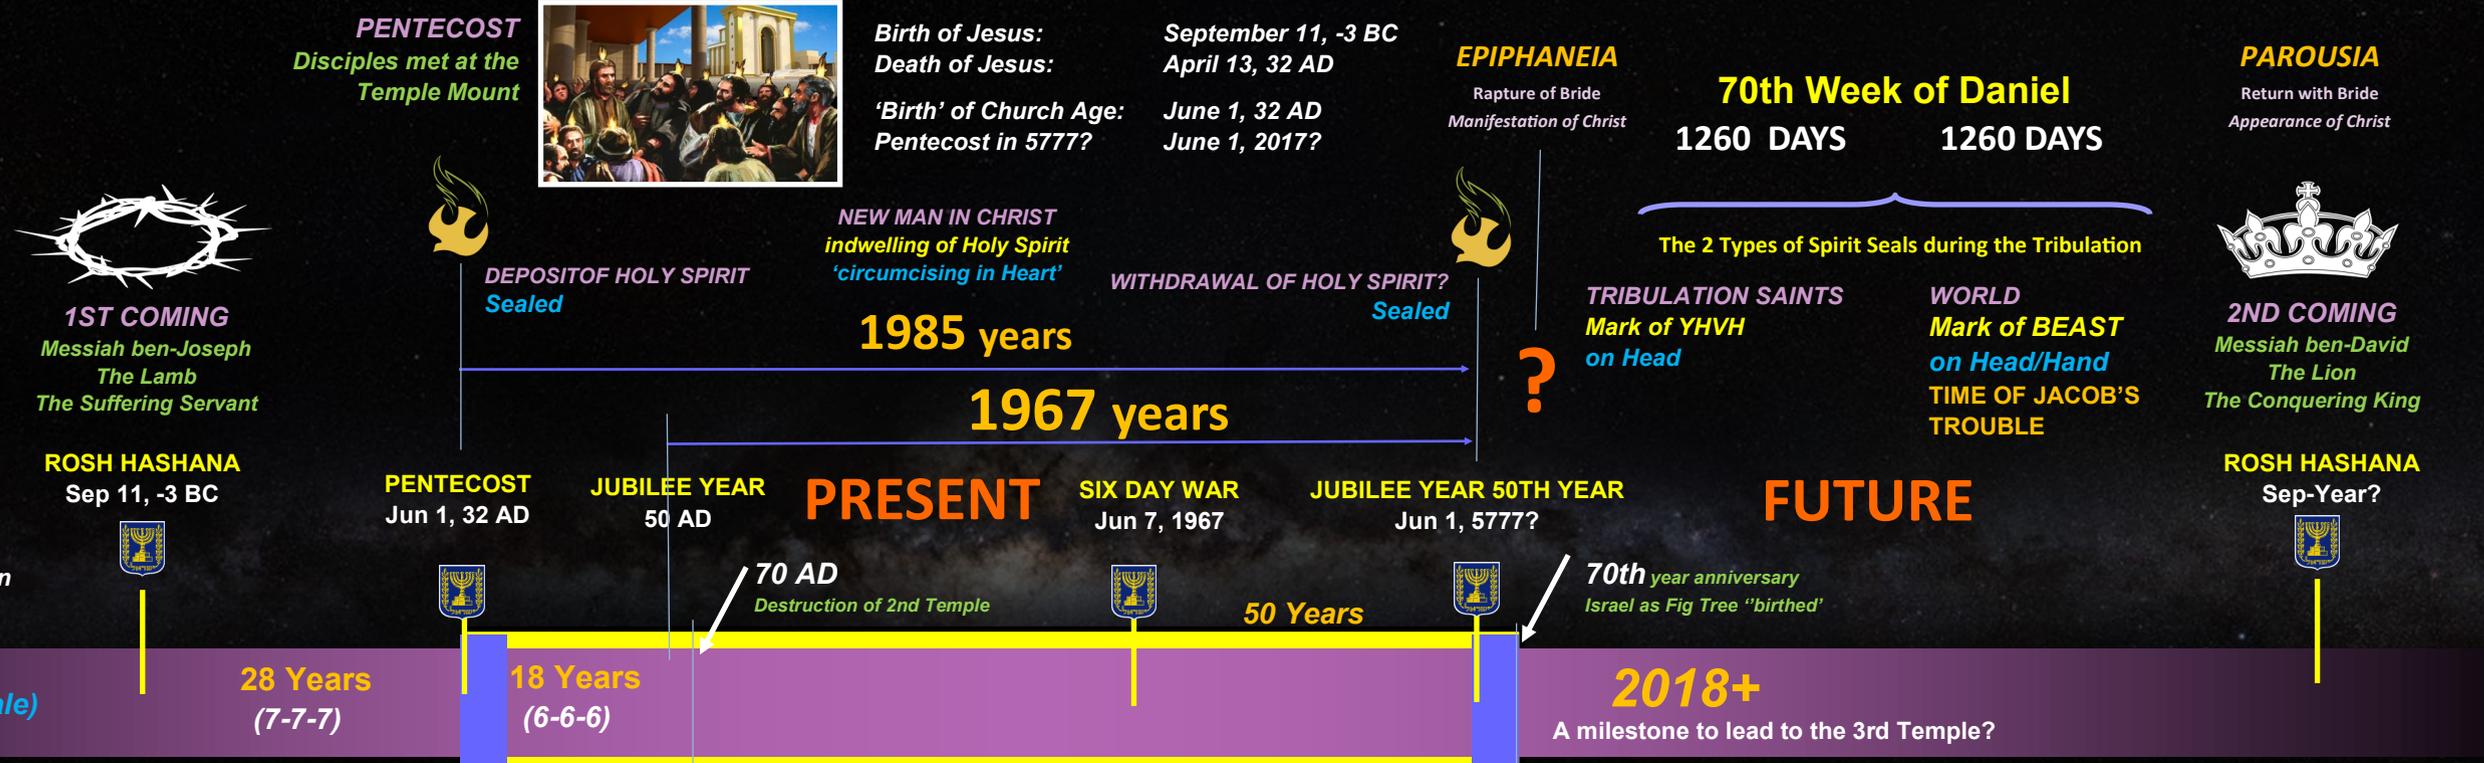

The purpose of this illustration is to attempt to qualify the delineation amongst the different types of the 'sealing' and 'marking' of the Spirits that is presently occurring and will occur on a timeline. These 2 Spirits are the Holy Spirit of the true Christ, Jesus and the Spirit of the AntiChrist. The Bible clearly teaches that there are 2 Spirits in the world at work to seal or will mark their initiates and respective followers of their Christs. Both Spirits put down as it were a 'deposit' on the soul of that individual that is redeemed or 'bought'. What this study strongly suggests is that the time that the Holy Spirit came down on the Disciples of Jesus on Pentecost was to 'seal' and not 'mark' the Believers. This is taught in Ephesians 1:13 and has been a unique time that never existed before Pentecost nor will after the Rapture of the *Body of Christ*.

However if one multiplies 1985 years x 356 solar years = 724,525 days, a difference of 483 days. What is peculiar about the 483-day count is that it is a factor of Daniel's prophecy in the following manner.

1. Add 7 + 62 weeks of years = 69 weeks of years in this prophecy
2. Multiply 69 (weeks) x 7 (to get the total number of years in this prophecy) = 483 years
3. Multiply 483 years x 360 (to get the total number of days in this prophecy) = 173,880 days
